Greetings from Village Council

The annual RyTof tournament will be held on the September Long weekend. We wish every participating team a fun and competitive weekend. We encourage Ryley residents to attend and cheer on these amazing athletes.

The Village Markets will be resuming in September and we are excited to see both new and returning vendors to this market. Please be sure to attend on the first Thursday of every month. We have some incredible local businesses that are happy to service our community.

As a reminder, school will be resuming on September 5. Please be sure to watch out for children and school buses on school days.

As we are nearing the end of the electoral term, we encourage any interested party to pick up an election package at the village office and submit their nomination papers by September 18. It is both a challenging and a rewarding opportunity to serve as a public official.

Have a fantastic September everyone!
Mayor - Lavonne Svenson

TAXervice to manage tax recovery process for Village of Ryley

The Council of the Village of Ryley has voted to outsource tax collection on overdue accounts to TAXervice, a third-party agency which specializes in tax recovery on behalf of municipalities. TAXervice provides location services for property owners who are hard to reach, coordinates with the municipality on yearly arrears lists, and deals directly with ratepayers, freeing up valuable time in the Village office spent each year attempting to settle overdue accounts. Fees for TAXervice are billed directly to ratepayers in arrears and added to the tax roll, recoverable in the same fashion as taxes. A reminder to all residents, please pay your taxes in a timely fashion – if you wish, a monthly payment installation plan can be set up to make payments easier to manage on a monthly budget. If you are currently in arrears, a payment plan can be set up to a maximum of three years for clearing arrears taxes, as limited in the Municipal Government Act. Taxes are considered in arrears January 1 of the following calendar year from which they were levied. After being in arrears for one full calendar year, the tax recovery process begins, as outlined in the Municipal Government Act.
