APRIL 2018

Thank you Ryley

Staff & Public Works

I would like to thank the staff of my village, Ryley. The administrative staff are always pleasant and very helpful. The Public Works staff work hard to keep our public areas in good working order as showed during our last big snowfall. Thank you guys for doing such a great job even taking the piles of snow from our entrance ways. Again thanks to all our staff. You are doing a great job.
Lynda

Employment Opportunity

The Village Office is now accepting applications for a Summer Employment Student. Summer employment will be full time 30 to 40 hours per week, possible start dates June 1 till end of August 2018. You must be over the age of 16 and have a valid driver's license. Previous municipal working experience preferred. Send resumes to Village office at Box 230, Ryley, AB, T0B 4A0, or drop off during office hours. Closing date in May 15th, 2018. Office is located at 5005-50 St.

Ryley Community Preschool 5th Annual Bottle Drive!

(proudly supported by BMS and Beaver County)
Our little ones are requesting your support in their 5th Annual Bottle Drive the week of May 7-13th. Funds raised will be used towards our year end wind up. If you are unable to be home, please leave bottles on your front step and we will pick them up! If you have bottles you'd like to donate before May 7th, you can email clozie25@yahoo.ca or call Larissa 780-878-1751 and we'll make arrangements. Thank you for everyone's support over the past 4 years, the children appreciate your generosity.

Mayors Message

Hello everyone, March is finally behind us and warmer weather is on the way – we've made it through another Alberta winter. As things warm up around the region, so does the pace of Council. At the March 27 regular council meeting, Council approved both the 2018 Operating and Capital budgets, as well as a number of supporting reports that were used by Council in making budget decisions. Administration is in the process of preparing a budget report to illustrate how Village revenues and expenses are earned, managed and accounted for. We expect it to be released towards the end of April, and will be placing it on the Village of Ryley website for public review.

Some of the highlights of the 2018 Operating Budget include:

- Projected operating revenues of \$1,089,050
- Projected operating expenditures of \$1,089,045
- Service levels for recreation to be maintained at the current standard
- Approval for installation of dedicated Wi-Fi at the Ryley Community Hall
- Funding of \$20,000 for the Business Tax Rebate Program for local businesses
- Continued support for community groups in the form of donations and subsidized hall rental rates for non-profit groups upon request
- A one-time grant of \$15,000 to the Ryley Firefighters Society to assist in training requirements
- A reduction in Bylaw patrols during spring and summer months from weekly to bi-weekly intervals
- Funding for Council in the amount of \$5,000 for public engagement practices
- 2% salary adjustment for permanent staff excluding the CAO totaling \$4,047
- A reduction in summer student employment from 2 to 1, commencing in June and terminating at the end of August
- A 50% reduction in minimum tax levels from \$500 to \$250 per assessable property
- An estimated 15% overall reduction in the combined municipal tax levy from \$501,987 to \$424,000. (Please note individual tax reductions may vary from property to property)

Selected capital projects this year include the following:

- Sanitary sewer inspections estimated at \$30,000 for

areas identified in the MPE infrastructure report.

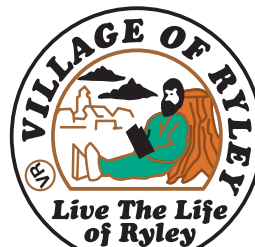

- New sand for the Lions Community Playground as identified in the 2017 playground inspection report as a top priority, estimated at \$5,000
- Phase I & II Environmental testing of Lots 2, 3PUL and Lot 4, all in Block 1, Plan 1820709, estimated at \$30,000
- Area Structure Plan for Lots 2, 3PUL and Lot 4, all in Block 1, Plan 1820709, pending results of environmental testing, estimated at \$10,000
- Total capital budget spending for the following projects is \$75,000

Council has also made the decision based on the results of the 2018 Public Input Survey to submit a letter to the Minister of Municipal Affairs requesting consideration for a Viability Screening. In order to complete this, Administration completed a Self-Assessment Questionnaire provided by the Ministry of Municipal Affairs and reviewed the results with Council at the Strategic Planning meeting in February. While the general results trended towards viability (87 viable, 37 non-viable responses), in respect of those who wished for more information, or a more definitive answer as to whether Ryley has a viability issue, Council feels the request to the Minister will provide opportunity for a third party to assess the situation and make a recommendation. A copy of the letter to the Minister is available to anyone who wishes to review it.

Council is near completion of a draft strategic plan, which will also be made available to the public once complete. I would like to thank everyone in the community once again who participated in the Public Input Survey, as the results were instrumental in developing priorities for Council over the next four years.

Lastly, a debt of gratitude to the ministry of municipal affairs, as we have received two grants for two important projects this year; the creation of a Municipal Development Plan (\$19,400), and Collaboration Coaching for members of Council (50% matching grant up to \$50,000). These initiatives were made possible with funding from the province and we look forward to having them bear fruit for the community.

Terry Magnuson
Mayor of Ryley

CALP Public at Large

The Beaver County Community Adult Learning Council (CALP) is seeking two public members to join our board. One individual will represent the east half of Beaver County and the other the west half of the County.

The Beaver County CALP Council sets direction in accordance with Government guidelines to support identified adult learning and family literacy needs for our Beaver County residents. Potential candidates have a vested interest in adult and family literacy and are familiar with learning needs in Beaver County.

The Beaver County CALP Council meets a minimum of four times a year. Board members are reimbursed for reasonable expenses incurred in the execution of CALP duties and for mileage at the rate set annually by the County.

Interested individuals are asked to apply in writing outlining their volunteer experience and why they are interested in serving on the Beaver County Community Adult Learning Council. Letters of application may be submitted to Tracey Radley, CALP Chair by mail at the Beaver County Office, Box 140, Ryley, AB, T0B 4A0 or by email tboastradley@vbfcss.ca.

Ryley Council Meeting Dates

Ryley Municipal Office 5005-50 St.

No April Committee of the Whole Meeting

Tuesday, April 18 - Regular Council - 6:45 p.m.

Committee of the Whole meetings are the first Tuesday of the month and Regular Council Meetings are held the third Tuesday of the month. Meetings start at 6:45 pm and are held at the Ryley Municipal Office, 5005-50 St. Special Council Meetings and any changes to the regular scheduled dates for Council Meetings will be posted on the village website and front window of the Municipal Office on the north side of the front door.

Clean Harbors Community Relations Committee

At their March 26, 2018 Committee meeting, the CH-CRC met and reviewed a total of 11 applications for the Clean Harbors Community Enhancement grant, with available funds totaling \$25,000.

The CHCRC recommendation to Ryley Council was approved at the March 27, 2018 Regular Council meeting with funds awarded as follows:

Ol' Blue Community Coach Society Operational Expenses	\$3,500
Holden/Ryley Minor Soccer Program expenses	\$2,000
Holden/Ryley Minor Hockey Ice fees for arena use	\$5,000
Seventh Day Adventist Church Mental Health programming	\$3,000
Ryley Firefighters Society Fire Safety/Community Relations/Training	\$10,000
Beaver Cmty Adult Learning Pgm Technology Programming materials	\$15,000
Total	\$25,000

CHCRC thanks all applicants and encourages return submissions for any unsuccessful applicants in future years. Organizations who are recipients of this year's grants will be contact by the Village of Ryley for arrangements to receive payment in coming weeks. The next scheduled CHRC meeting is Sept 19, 2018 at 6 p.m. in the Village Office. The public is welcome to attend these committee meetings, but only as an observer. Committee members are: Stan Yuha, Michael Simpson, Lyndie Nickel, Lori-Jo Pope, Cyndy Heslin, Mathew Kowalski, Annette Short, Lorraine Williams. If you have questions, please leave your contact information at the Village office, and a member will respond.

Zinc-Saves Lives Household* Battery Drive

The leadership team is a group of students from the Ryley School. We focus on making a difference in the community and the world through volunteerism. We are launching a campaign to collect household batteries through a program called Zinc-Saves Lives.

Zinc is essential for humans. Zinc deficiency affects about 1.2 billion people worldwide, and 200,000 children under the age of five die each year from not having access to zinc in their diets. This is why we would like to help. This program is brought to you by Teck and UNICEF. The amount of zinc in one AA battery, is enough to save the lives of six children. There is an added benefit of keeping batteries out of landfills which protects our environment.

Ryley School Leadership Team

Village residents may drop off their household* batteries in specially marked bins located at Ryley School and the Ryley Municipal Office from now until June 15, 2018 (during normal business hours.)

***HOUSEHOLD BATTERIES = AA, AAA, C, D, 9 Volt, 6 volt (alkaline or heavy duty batteries)**

We CANNOT accept lithium ion batteries

Thank you for helping us create a positive change in our world Ryley School Leadership Team
www.zincsavestives.ca

BMS. "All these skills really help in my work." From Kelly's perspective, customer service is a significant part of her job. "But my customers work for BMS," she says.

With a focus on customer service – along with the acquisition of new business, recruiting new employees and operating safely and efficiently – the 61 full – and part-time employees of BMS have turned the organization since 2011 into a source of community pride as well as financial stability. In six years, revenues have more than tripled, to \$22 million, while debt has been eliminated. BMS now distributes \$2 million a year to the communities under which it operates, and its employees receive an annual bonus equivalent to five per cent to 37.5 per cent for their basic pay.

"We're one of the few, if only, publicly owned organizations in Alberta that I know of that has a bonus program for every employee, right to the transfer station attendant," says Breau.

54 FULL-TIME STAFF IN CANADA
15 JOBS AVAILABLE LAST YEAR
400 JOB APPLICATIONS RECEIVED LAST YEAR
28 YEARS, LONGEST-SERVING EMPLOYEE

Here are some of the reasons why Beaver Municipal Solutions was selected as one of Alberta's Top Employers (2018):

- Beaver Municipal Solutions supports employees who are new mothers with maternity leave top-up payments, to 95% of salary for up to 17 weeks

- As part of the organization's health benefits plan, Beaver Municipal Solutions offers a health spending account of up to \$850 per year, allowing employees to top up coverage to suit their personal needs -- employees also receive a wellness spending account of up to \$500 per year

- Beaver Municipal Solutions encourages ongoing employee development with subsidies for tuition and professional accreditation, and provides opportunities for the next generation to gain meaningful career experience through summer employment and paid internships.

To find out more information on programs provided at BMS such as recycling, Large Item Pick Up Dates and Take it or Leave it, visit their website at www.beaver-municipal.com. There you can also see what is accepted and not accepted for pick up and drop off. For any inquiries you can also reach them by calling 780-663-2038. Congratulations to BMS for making Alberta's Top 70 Employers in 2018!

Ryley Sports Day Meeting Update (Formerly known as Summer Bust Out)

On Thursday, March 22nd the Summer Bust Out committee met and discussed the parade, name change, Friday night music kickoff party and volunteers. The meeting was great success with community participation and exciting ideas are going to be put in place to better our event. One big change due to the many requests has been decided to change the name of our event back to Sports Day. The committee has also picked this year's parade theme to be "**Down on the Farm**". You will see parade invites go out later this month but please feel free to contact Angel if you know you will be putting in a float and she can send out the forms to you as requested.

We are asking organizations and business owners to contact the Committee with any ideas that they are willing to take charge of and contribute to the event either Friday night or Saturday. Any business that wishes to supply their activity is encouraged to do so! Show off your musical talent and be on our stage Friday night!

The next meeting will be held on May 2 at 5 pm in the Ryley Municipal Office, 5005-50 St. Participation from community groups is vital in keeping our annual event alive!

Questions and comments can be directed to Angel at the Village of Ryley Office at (780) 663 3653 or by email angel@ryley.ca

We look forward to your anticipated participation in this event!

13 Ways to Kill your Community

Doug signs copies of his book for attendees

Former MLA Doug Griffiths delivered his presentation 13 Ways to Kill your Community in Ryley on March 24 at the Ryley Community Hall. Griffiths' presentation was well received by the 100 attendees who came from communities across the region, and wrapped the bitter pill of how communities sabotage their own chances of success in humour and provocative storytelling. Following the presentation, Ryley Mayor Terry Magneson encouraged everyone to take the message of 13 Ways back to their own communities and work together to move the region forward.

Following the 13 Ways presentation on March 24, available members of Ryley Council took a moment for a photo with presenter Doug Griffiths.

Alberta's TOP 70 EMPLOYERS 2018 WINNERS Beaver Municipal Solutions turns surplus into benefit

When Pierre Breau became General Manager of Beaver Municipal Solutions (BMS) in the village of Ryley, Alta., he knew that the surrounding community could prosper from its singular endowment: it sits on one of the largest and most impervious clay soil structures in Canada, which makes it an ideal location for BMS's landfill site.

For almost 20 years, the five communities responsible for overseeing BMS had delegated its operations to a third party. After the contract expired, the organization's community overseers gave Breau the mandate to make BMS profitable, not just for its own sake, but for the communities and the employees as well.

In addition to serving about 10,000 residents and businesses around Beaver County, BMS provides waste management services for Edmonton's Capital Region, about 85 Km to the west. It also provides advanced waste treatment, recycling and remediation technologies to municipal and industrial customers.

"It's a competitive business," says Breau, an engineer who has more than three decades of experience in public works and infrastructure.

Jeannine Kelly first heard of BMS through a friend at the 4H Club. As Administrative Assistant – Mechanical and Parts, Kelly spent two weeks learning to use the organization's enterprise software system to order and keep track of parts and services for BMS's compactors, dozers, graders, semis and other equipment.

"I'm interested in cars and trucks, I have a passion for software, and I'm really organized," says Kelly, who will soon complete her first year with
