### 2018 Budget Overview

March 27, 2018

### Preamble

The Municipal Government Act requires the Village to adopt a balanced budget each year such that revenues raised from all sources including taxation are sufficient to cover all expenditures during the budget year. The MGA also requires the Village to budget for consumption of tangible capital assets through depreciation expense in its operating budget. For the purposes of the operating budget, depreciation expense is not an expenditure. The 2018 proposed balanced budget, before depreciation, includes an operating budget of \$1,089,050.

The budget is a major component of the accountability cycle and plays a key role in ensuring the Village's long-term financial sustainability. It represents the Villages overall plan for identifying services and allocating appropriate resources to fund them.

Municipal staff have dedicated significant time and effort in developing the 2018 Operating budget that determines service levels and priorities initiatives according to the objectives and goals outlined in the Village's Strategic Plan.

A budget is a collection of anticipated revenue sources, operational expenses and reserve transfers. The annual operating budget provides detailed estimates of the funding required by the Village to meet its ongoing financial obligations and provide services and programs for residents.

The budget also sets out the expectations of the rate payers for property taxation for 2018 municipal purposes only of \$424,000 and represents a decrease of 15.5% from the 2017 municipal tax levy.

Our budget is well defined, with timelines and schedules set out in advance with the objective of meeting Council's expectations.

Council together with Administration have met and had discussions regarding the Village's goals and strategies through strategic planning and budget discussions during meetings.

#### Taxable Assessment

The taxable assessment for the Village of Ryley for 2017 was \$36,384,950 comprised of:

| <u>Residential</u> | \$25,528,510 |
|--------------------|--------------|
| Non-Residential    | \$10,856,440 |

Over the 10-year period from 2008-2017 the taxable assessment has been as follows:

#### **Taxable Assessment**

| Year | Residential Taxable<br>Assessment | Non-Residential Taxable<br>Assessment | Total Taxable Assessment |
|------|-----------------------------------|---------------------------------------|--------------------------|
| 2008 | 18,479,850                        | 6,403,920                             | 24,883,770               |
| 2009 | 22,441,750                        | 9,402,230                             | 31,843,980               |
| 2010 | 22,934,590                        | 9,351,670                             | 32,286,260               |
| 2011 | 28,010,430                        | 10,420,460                            | 38,430,890               |
| 2012 | 27,113,680                        | 10,878,020                            | 37,991,700               |
| 2013 | 27,066,900                        | 10,995,300                            | 38,062,200               |
| 2014 | 26,003,930                        | 11,284,090                            | 37,288,020               |
| 2015 | 25,532,930                        | 11,035,950                            | 36,568,880               |
| 2016 | 25,434,330                        | 11,029,620                            | 36,463,950               |
| 2017 | 25,528,510                        | 10,856,440                            | 36,384,950               |
| 2018 | 25,313,950                        | 10,918,360                            | 36,232,310               |

In preliminary discussions with our assessor it appears that the overall assessment for 2018 may be similar, however indicators point to a decline in residential and non-residential assessment.

#### **Taxation Ratios**

The *Municipal Government Act* allows Council to determine its own rates of taxation annually for each assessment classification. Under the modernized MGA, taxation ratios cannot exceed 5:1 Non-residential/residential ratios. The ratio used in 2017 was roughly 2:1 (Non-Res : Res). The taxation ratio used in 2018 will be roughly 2.6:1 (Non-Res : Res)

#### **Debt Management**

The Village is granted authority through the Municipal Government Act to incur debt and must adhere to provincial debt limit regulations and borrowing procedures outlined in the Municipal Government Act.

In 2017 the Village began making payments on a 5-year debenture, which will be completed by year-end of 2021. Annual payments of MSI Capital are indicated on the attached debenture repayment schedule.

The Village of Ryley debt limit (1.5 X Revenue) is \$2,099,804, with an annual servicing limit of \$329,967. Ryley's actual annual debt servicing for the next 4 years is (principal and interest) approximately \$208,888.

#### Salaries & Wages

This budget reflects a 2% wage increases for staff excluding temporary staff and the CAO. When Council considered an increase in staff wages, the corresponding increases in budget would be as follows:

1% wage adjustment \$2,024 for wages and related benefits

2% wage adjustment \$4,047 for wages and related benefits

3% wage adjustment \$6,071 for wages and related benefits

There have been no pay increases for staff since 2014.

#### Grants and supports to organizations

The Village of Ryley budgets for routine contributions to the following organizations, and is amenable to requests for other organizations during the year under Donation Policy 2017-04-08.

| Total                          | \$36,950 |
|--------------------------------|----------|
| Century Park Committee         | \$2,500  |
| Ryley Sunshine Club            | \$500    |
| Beaver County Victim Services  | \$1,000  |
| Ryley Christmas Hamper         | \$800    |
| Beaver Heritage and Ag Society | \$28,000 |
| Ryley Legion                   | \$100    |
| Citizenship Award              | \$100    |
| Farm Safety Center             | \$250    |
| Tofield Health Foundation      | \$3,500  |
| Kids Help Phone                | \$200    |

The Village of Ryley typically forgives Hall Rental fees for various non-profit groups throughout the year.

The Village of Ryley offers a Business Tax Rebate Program valued at approximately \$20,000 annually

The 2018 Operating Budget features a one-time grant of \$15,000 to the Ryley Firefighters Society to assist with firefighter training and development.
