Sunday of the month and Busy B Bargains the 3rd Sun-
day of the month. Due to Canada Day, July swim date
will be Sunday, July 8.

FREE Family Swim Dates

July 8, 15. August 5, 19. September 2, 16. October 7, 21.

Thank You Village of Ryley & Holden!

The Villages of Ryley and Holden covered transporta-
tion costs so that Holden School students could par-
ticipate in swimming lessons this year. The students
traveled to Ryley for six 1-hour lessons. These lessons
occurred over the months of May and June. For many
students this is the only opportunity they have to com-
plete their swimming levels. The students and staff
were very appreciative for this generous donation!

New pool signage!

Ryley Pool is not only making changes on the
inside this year, but the outside as well! A
new sign on the front and back of the Ryley
Pool is scoring points with locals who say it's
a great new look for the same cool pool!

JULY 2018

Mayor's Message

Wow! What a Sports Day we had this past June. I have to offer a tremendous thank you to the whole community for the great atmosphere that was present for the Sports Day weekend! Our hardworking community volunteers, staff and Sports Day Committee, parade participants, as well as the local support that came out made it one of the best Sports Days we've had. I certainly hope all the ball teams that came out left with a winning smile if not a winning score by the end of the weekend. I can tell you that Council enjoyed their time serving pancakes at the breakfast and being in the float, it was great to see everyone and we look forward to it next year.

On the Council side of things, we continue to move forward with some long range financial planning. New strategic reserves for roads, sewers and facilities were approved at the June 19 Council meeting, creating dedicated pots of money to fund future construction and repair of important Village infrastructure. As we know from the survey, if not driving the roads themselves, our roads are in need of some TLC, and Council is setting the stage to tackle that issue. Council hopes to be in a position to make contributions to those reserves yearly until a pot of money is large enough to complete some major projects related to sewer replacement and road paving. Also, Council completed their review of the Thurber reports at the end of May and submitted a statement of concern to Alberta Environment. All in all, the reports do show that Clean Harbors has put in place a solid plan for managing their landfill operation – Council is forwarding Thurber's recommendations to enhance what's already in place to Alberta Environment for consideration in our statement.

As summer gets its stride on, I hope everyone makes some plans to enjoy the sun, and for farmers to enjoy the rain. On behalf of Council I wish you all a Happy Canada Day!

Terry Magnuson
Mayor of Ryley

Thank you to Ryley School for their carnations to every house in Ryley!

Ryley Council makes waves with pool donation
Village of Ryley Mayor or Terry Magnuson (far right) presented a cheque for \$45,717 to the Beaver

Heritage Agricultural Society for the Ag Society's planned HVAC upgrade at Ryley pool this year. A similar donation to the Ag Society for the pool upgrade was also made by Beaver County Council. Ag Society members Mark and Lavonne Svenson and Secretary Lonnie Lauber received the donation at the June 19 Council meeting with gratitude.

Parade Winners

Best Business: **Brimstone Sulphur Inc.**

Best Organization/Group: **Sunshine Seniors Club**

Best in Show: **ATB Financial Ryley**

Best Horse/Vehicle: **Lawrence Tchir (1932 Ford Coupe)**

Best Youth/Child: **Kumsons Electrical**

This year the parade winners for Best Business and Best Organization/Group received a trophy that will be engraved and passed on every year. Thank you to Brimstone Sulphur Inc. for donating these trophies and for the awesome idea that will be carried on throughout the years to come. The other three categories received cash prizes. I would like to give a big thank you to our out of town guest judges for doing a great job! Hope to see everyone back for next year's parade on June 15, 2019!

Ryley Sports Day raised the bar this year with a music event on Friday night thanks to some hardworking local volunteers who provided a sound system and stage for performers to come out and strum out. Residents who came out said the addition of the music was a welcome one!

Ryley Sports Day the high note of the summer!

What an amazing weekend we had! This wouldn't have been possible if it weren't for the committee, businesses, volunteers and the many meeting and hours spent on planning. The Sports Day Committee was able to put on the Friday night music festival without spending \$1! Everything that happened was volunteered or donated including the music!

Ryley owes a big Thank You to Deanna Klassen for having the ambition to propose hosting a music festival on Friday night, and for her subsequent many hours of volunteering getting all the musicians out and getting the businesses involved. Based on the feedback, the festival could be back and bigger next year, and the Village looks forward to it!

Sparky the Fire Dog made his first appearance in Ryley in a long while, sporting fresh new duds and scoring big points with kids at the Ryley Sports Day, as well as Mayor Terry Magnuson who confesses to still being a kid at heart.

A huge shout-out to Richard and Lynn Arndt and the Brimstone family for being a part of the committee, their donation, stage and for making the music festival happen! If anything was needed they were right there to help.

A big thank you to all the businesses that were able to participate in making Friday night's festival - one that was enjoyed by all! It was so great to see people jumping in to help with set up and clean up; I want to make sure you know that it is greatly appreciated for all your unasked, volunteered help. Thank you to Patrick

Manderson, Shawn Forre, Richard Arndt, Darryl Magnuson and the crew for moving the stage and generators before and after the event and to Terry Magnuson for the donated use of hay bales, generator and staying up late to help with clean up Friday.

Music was made possible with the equipment and help from Mike and Denzyl Klassen, Morley Knudslie and Pat Dupuis. Thank you to all the musicians that gave our main street the beat: Aimee Rafferty, Pat Dupuis (Almighty Twang), Abby K, Jenn Durrant, Roger

Harrison, Morley Knudslie, Torlea Flats, Cailyn Dempster and Lester Jodzio.

The free breakfast provided and served by Ryley Mayor Terry Magnuson, councillors Cyndy Heslin, Brian Ducherer, Mathew Kowalski and volunteer helper David Seath was a delicious start to Saturday's events. Big shout out to the Ryley Fire Department for taking on so much through the weekend! It's great to see all the members so involved in the community festivities. They were able to raise \$917 through their Saturday lunch for S.T.A.R.S. Edmonton and Area.

Four alarm chili
Ryley firefighters were cooking up some hot and hearty home style chili at the Ryley Sports Day Friday night music festival. Patrons had the option to add a little hot sauce of their own if they wanted to kick things up a notch.

Another huge thank you to everyone that came out for the parade, it was great to see so many floats from all over the region. The fireworks, I have heard nothing but amazing comments about one of the best fireworks shows we have had yet; Uncle John's Fireworks aims to impress every time. There where so many people involved that it just made you so proud of Ryley and to see the community spirit come alive and everyone working together to make the whole weekend a success!

The weather tried to stall our Friday night but everyone held on and pushed through the small rain we got. Once the sun came out it was go time and the smiles grew down Main Street.

If you want to thank them personally, check out the following list of volunteers, sponsors, business and committee members that made this weekend one that will be remembered by all.

Sports Day Committee: Terry Magnuson, Cyndy Heslin, Mathew Kowalski, Brian Ducherer, Angel Matyachuk, Shawn Forre, Deanna Klassen, Lynda Johnston, David

Thank you to everyone involved with the Curtis Stensrud Memorial Slo-Pitch Tournament for another great tournament and for bringing awareness to Mental Health and Suicide Prevention. All proceeds are donated to the Canadian Mental Health Association.
