

Mathew Kowalski

**Council report – July**

REDs –July 19<sup>th</sup>

Library – No meetings for August

Beaver foundation – July 24<sup>th</sup>

**Council report – June**

Library – Discussed sports day and what they will do. Government of Canada issues and replacement of the printer and treasury.

AG society – I went to help at the pool with the tiles. Discussed the amount of money that was raised for the pool and future plans.

Beaver foundation – Went to the Viking facility. Discussed the future business plan. Look at the policies about smoking and what is allowed in the rooms.

Sports day meeting – Debriefed about what went good and bad during the event. Looked at Friday and Saturday separately with the attending members.

Conference – Went to Camrose for the summer AUMA conference. Discussed policing, green grants, and the economic effects of marijuana.

Council meeting – What was stated in the agenda but; furthermore, we had a special meeting to work through 2 bylaws that took hours. The bylaw were required and will allow us to follow the new MGA.

**Council report – May**

Council meeting – Talked about the budget, strategic plan, and the future agenda

Beaver foundation – Was good. Got a card for my attendance at the Tofield facility. Talked about funding and future policies.

CHpac – until future

**Council report - april**

COW meeting – A normal meeting where we met Nancy love the mediator. It was a quick meeting where we heard from the sgt, looked at clean harbours email, and swimming lessons for the students.

Library – Discussed future plans

Council meeting – today.

AG society – Set up for event.

REDs – N/A

Beaver foundation – Talked about bylaws and facilities.
