Help us Make a Difference! Help us Rise to the Challenge! Help us Do something amazing!

The Ryley School Leadership Team is a group of dedicated youth working together to make a difference by serving others in our community, province, and the world. In the past, some team initiatives included volunteering at the Tofield-Ryley Food Bank, Stuff-the-Bus Food Drive, packaging Christmas hampers, serving at the Bissell Center in Edmonton, hosting a World Vision 30 Hour Famine event and humanitarian build trips to the Dominican Republic and Mexico.

In July of 2019, the Leadership Team is once again planning a humanitarian service experience abroad. The team will be going to Vicente Guerrero, Mexico to build a house. This region is economically depressed and subject to extreme poverty. There is a great need as many families live on less than \$2 per day and have inadequate housing. Students will work alongside a family in need to build them a safe, secure house giving them a hope for the future.

On **November 16th, 2018** we will be hosting our major fundraising event, the **Annual Dessert Night and Silent Auction at the Ryley Community Hall**. You're invited to join us for an evening of entertainment and refreshments to help us achieve our goal. Silent Auction begins at 6:30 pm with the program beginning at 7:00 pm. Tickets are \$10 and available for advance purchase or at the door Children under 5 free. To purchase tickets or for more information, feel free to contact Ryley School (780)-663-3682.

Village of Ryley Municipal Development Plan Survey

This confidential survey is being conducted on behalf of the Village of Ryley as the village begins to create a new plan for its future.

- Option 1: Fill in this hard copy survey and return it to the village office
 - Option 2: Fill it in online. Please go to the village website (www.ryley.ca) and click on the appropriate link.
- Draw Prize:** Though this survey is anonymous, there is space at the end to provide your name and contact information. There will be a random draw of completed surveys following the conclusion of the survey. Village staff and council will not get the surveys and will not see the names. We have hired a firm to conduct the survey and provide the village with the results.
- Deadline:** All surveys must be returned to the village office by December 1.

Introduction

The Government of Alberta has informed all municipalities that they need to have a Municipal Development Plan (MDP) in place. This is new for the Village of Ryley and it represents a great opportunity for residents to have input and give direction about what our village will look like in 25 years or more.

The MDP will be Ryley's guiding document for growth. It explains the community's vision for the future and provides a road map to achieve that vision.

Your input will be used to help determine:

- How the villages uses undeveloped land
- Future transportation networks
- Environmental and heritage resource management
- Development of utilities
- How the municipality funds growth and development

1) From what you have seen, what have been the biggest successes in Ryley over the past five years?

Success #1: _____
Success #2: _____
Success #3: _____

2) What three challenges, particularly related to municipal development, do you see as critical for Ryley to address over the next 10 years?

Challenge #1: _____
Challenge #2: _____
Challenge #3: _____

3) Over the next 20 years, I would like to see Ryley's population (choose one):

- ☐ Get smaller
- ☐ Stay the same size it is now
- ☐ Grow by 0 - 25%
- ☐ Grow between 25% and 50%
- ☐ Grow more than 50%

4) The Municipal Government Act and associated Regulations require an MDP to address several things. Do you see Ryley needing to address (check all that apply):

- ☐ Conservation reserves
- ☐ Economic Development programs
- ☐ Environmental matters within the village
- ☐ Financial resources of the village
- ☐ Financing and programming for municipal infrastructure
- ☐ School reserve land
- ☐ Urban sour gas facilities
- ☐ Urban agriculture
- ☐ Other - Write In: _____
- ☐ Other - Write In: _____

5) Are there any other comments about the new Municipal Development Plan that you would like to provide?

About You

The Village of Ryley will be providing a random prize for completed surveys. If you would like to be included in the draw, please provide the information below. This is completely optional.

The surveys will be reviewed by our contractor and names will be separated from the survey results before the Village sees them.
