Village of Ryley Municipal Development Plan Survey

This confidential survey is being conducted on behalf of the Village of Ryley as the village begins to create a new plan for its future.

•Option 1: Fill in this hard copy survey and return it to the village office

• Option 2: Fill it in online. Please go to the village website (www.ryley.ca) and click on the appropriate link.

Draw Prize: Though this survey is anonymous, there is space at the end to provide your name and contact information. There will be a random draw of completed surveys following the conclusion of the survey. Village staff and council will not get the surveys and will not see the names. We have hired a firm to conduct the survey and provide the village with the results.

Deadline: All surveys must be returned to the village office by December 1.

Introduction

The Government of Alberta has informed all municipalities that they need to have a Municipal Development Plan (MDP) in place. This is new for the Village of Ryley and it represents a great opportunity for residents to have input and give direction about what our village will look like in 25 years or more.

The MDP will be Ryley's guiding document for growth. It explains the community's vision for the future and provides a road map to achieve that vision.

Your input will be used to help determine:

- How the villages uses undeveloped land
- Future transportation networks
- Environmental and heritage resource management
- Development of utilities
- How the municipality funds growth and development

1) From what you have seen, what have been the biggest successes in Ryley over the past five years?

Success #1: _____

Success #2: _____

Success #3: _____

2) What three challenges, particularly related to municipal development, do you see as critical for Ryley to address over the next 10 years?

Challenge #1: _____

Challenge #2: _____

Challenge #3: _____

3) Over the next 20 years, I would like to see Ryley's population (choose one):

() Get smaller

() Stay the same size it is now

() Grow by 0 - 25%

() Grow between 25% and 50%

() Grow more than 50%

4) The Municipal Government Act and associated Regulations require an MDP to address several things. Do you see Ryley needing to address (check all that apply):

[] Conservation reserves

[] Economic Development programs

[] Environmental matters within the village

[] Financial resources of the village

[] Financing and programming for municipal infrastructure

[] School reserve land

[] Urban sour gas facilities

[] Urban agriculture

[] Other - Write In: _____

[] Other - Write In: _____

5) Are there any other comments about the new Municipal Development Plan that you would like to provide?

About You

The Village of Ryley will be providing a random prize for completed surveys. If you would like to be included in the draw, please provide the information below. This is completely optional.

The surveys will be reviewed by our contractor and names will be separated from the survey results before the Village sees them.

WECAN now in Ryley!

About WECAN Food Basket

The WECAN Food Basket Society operates as a “warehouse without walls” – we buy all our food in bulk and distribute it to our community based depots. Volunteers staff the depots located throughout the Edmonton and surrounding area. Once a month, volunteer drivers pick up the food from our supplier, The Grocery People Warehouse, and take it to the depots. Our volunteers then count, sort and pack the baskets ready for pick up.

WECAN Mission Statement

The WECAN Food Basket Society provides families and individuals with food security by giving them the opportunity to purchase nutritious food at an affordable price.

The Program in Tofield-Ryley

Members prepay for their food baskets by the first Friday of each month by depositing their order envelope: (Tofield) in the book depository at the Tofield Municipal Library, or (Ryley) in the mail slot at the Village of Ryley Office. Then, orders can be picked up on the third or fourth Thursday of the month (see table at right) at (Tofield) Bardo Lutheran Church, or (Ryley) Ryley Municipal Office.

A WECAN Food Basket consists of...

Fresh food is the staple of any healthy diet. Our food offering is:

Meat Order (\$15): 2-3 cuts of frozen meat,
Produce Order (\$10): 3 types of fresh vegetables and 3 kinds of seasonal fruit

Members can order whatever quantity of each order they would like, for example:

2 produce + 1 meat = \$35 or 2 meat + 1 produce = \$40

Members prepay for their food basket on or by the first Friday of each month. Check Calendar for exceptions to orders and pick up dates.

Membership is \$5 per year: Apr 1 to Mar 31.

Envelopes

Please put your name, phone number and how many meat and produce orders you would like along with the cost on the front of the envelope. We encourage you to use your unused utility bill envelopes. RECYCLE!

Weather causing icy conditions at Community Hall

The Village advises when visiting the Ryley Community Centre during rented functions to please use caution on the sidewalks and parking lot. Recent warm weather has caused a thaw/freeze and conditions are slipperier than usual. Staff will continue to sand and salt walkways and parking lots as time and resources permit, but ask visitors to exercise a careful step! If you're escorting a family member who has reduced mobility, take a moment to help them across icy patches for their safety.
