## National Flag of Canada Day

On February 15, 1965, our national flag was raised for the first time on Parliament Hill. On the same day in 1996, National Flag of Canada Day was declared. Every year since, we celebrate our beautiful flag on February 15. Canada's flag is a symbol that unites all Canadians and reflects the common values we hold so dear — equality, diversity and inclusion.

Take this opportunity to honour our iconic flag. Let's celebrate the #CanadianFlag in communities across the country!

### Take the photo challenge

Take the photo challenge. Post a picture or video of you and your friends with the National Flag of Canada. Whether it's a group shot or a selfie - with your feet in the snow or in the sand, inside or outdoors - come together and show your pride in our national symbol. We can't wait to see your photos!

### Be part of the celebrations on social media:

- Take a selfie with the flag and share it using the hashtag #CanadianFlag.
  - Use your imagination by posting a photo taken in an original place like a mountain top or during your favorite activity!
  - Share a picture with the Flag Day profile filter.
  - This is a custom frame that you add to your photos to represent a topic that is important to you.
  - Create a human Canadian flag and post your pic.
  - Dress in red and white and create a living Canadian flag. Post your photo on social media and see how others across the country are taking part in activities to celebrate National Flag of Canada Day. Remember to add the hashtag #CanadianFlag.
- And don't forget to tag your friends!

### Did you know - National Flag of Canada

- National Flag of Canada Day was officially proclaimed on February 15, 1996.
- Canada is the only country with a maple leaf on its flag.
- The maple leaf has been used historically as a decorative and ornamental symbol in Canadian art, medals, badges and coat of arms. It has often served to distinguish Canadians abroad.
- The stylized maple leaf on the flag has eleven points.
- Red and white were proclaimed Canada's official colours in the proclamation of the Royal Arms of Canada in 1921 by King George V.

- The Canadian flag is twice as long as it is wide. The white square and its maple leaf make up half the surface of the flag equal to the two red bars combined.
- Vexillologists (flag experts) often cite the National Flag of Canada as one of the world's most beautiful based on its compelling design and measured use of colour.

- Every province and territory in Canada has its own flag. The one symbol that represents us all at home and abroad is the red and white National Flag of Canada.
- In 1982, Canadian mountaineer Laurie Skreslet brought the national flag with him to the highest point in the world, Mount Everest.

- In 1984, the Canadian flag reached new heights when it was launched into space on the flight along with the first Canadian astronaut on the NASA space shuttle Challenger.

- The role of flag-bearer for Canadian teams attending international sporting events is a special honour for those like Tessa Virtue and Scott Moir who proudly represented Canada at the PyeongChang Olympic and Paralympic Games in 2018.

- When the National Flag flies along with the flags of the 10 provinces and three territories, the flags of the provinces and territories follow in the order that they entered Confederation. For those years when multiple provinces entered Confederation, their flags are arranged by size of population at time of entry. The order of precedence is therefore as follows: Ontario (1867), Quebec (1867), Nova Scotia (1867), New Brunswick (1867), Manitoba (1870), British Columbia (1871), Prince Edward Island (1873), Saskatchewan (1905), Alberta (1905), Newfoundland and Labrador (1949), Northwest Territories (1870), Yukon (1898) and Nunavut (1999).

Sorry for an inconvenience.

## Snow Removal Reminder

Residents and business owners are responsible for clearing all public sidewalks adjacent to their property (front and side) within 48 hours of a snowfall; and maintaining them free from ice and other debris. The fine for failing to clear sidewalks is the cost of clearing by the Village. Please note you can not pile or spread snow from private property or public sidewalks onto the street. The exception to this is on Main Street, from 50 Ave. to 52 Ave. where businesses do not have a vacant area or a boulevard. We ask that if you see your street being cleared of snow to please move your vehicle so public works can effectively clear the roads. Your efforts in this are appreciated, especially by your neighbors who use the sidewalk. Thank you.

## CALLING ALL LADIES 55 AND OLDER TO COME JOIN THE ... HAPPY WANDERERS!

Please note that if you have your pet registered in a different town or city, you are still required to get a Ryley Animal License. Please remember that dogs and cats are to be kept contained within the owners property, or possession, at all times. ## WECAN now in Ryley!

### About WECAN Food Basket

The WECAN Food Basket Society operates as a "warehouse without walls" – we buy all our food in bulk and distribute it to our community based depots. Volunteers staff the depots located throughout the Edmonton and surrounding area. Once a month, volunteer drivers pick up the food from our supplier, The Grocery People Warehouse, and take it to the depots. Our volunteers then count, sort and pack the baskets ready for pick up.

### WECAN Mission Statement

The WECAN Food Basket Society provides families and individuals with food security by giving them the opportunity to purchase nutritious food at an affordable price.

### The Program in Tofield-Ryley

Members prepay for their food baskets by the first Friday of each month by depositing their order envelope: (Tofield) in the book depository at the Tofield Municipal Library, or (Ryley) in the mail slot at the Village of Ryley Office. Then, orders can be picked up on the third or fourth Thursday of the month (see table at right) at (Tofield) Bardo Lutheran Church, or (Ryley) Ryley Municipal Office.

### A WECAN Food Basket consists of...

Fresh food is the staple of any healthy diet. Our food offering is:

Meat Order (\$15): 2-3 cuts of frozen meat,  
Produce Order (\$10): 3 types of fresh vegetables and 3 kinds of seasonal fruit

Members can order whatever quantity of each order they would like, for example:

2 produce + 1 meat = \$35 or 2 meat + 1 produce = \$40  
Members prepay for their food basket on or by the first Friday of each month. Check Calendar for exceptions to orders and pick up dates.

Membership is \$5 per year: Apr 1 to Mar 31.
