External Presenter Form

Council at its Committee of the Whole Meeting of March 5, 2019 reviewed its practice of receiving delegations/open door presentations.

Council does not wish to unreasonably limit nor curtail the ability of the residents to provide input or ask questions. Council does wish to inform the public of the preferred practices.

Through the Council procedural bylaw;

- Presentations to Council can come by way of open door sessions, delegations, petitions or public hearings.
- The dates of the meetings are provided in the Village Voice, the Village website, and on a sign in the Village office.
- Where possible it is recommended that residents use the Questions & Comments for Village Council form or the External Presenter Form to assist in formulating what they want to indicate.
- Although not required in an emergency situation, the use of the forms permit Council to understand the nature, and if possible, the request of the presenter in advance.
- The procedural bylaw asks for any agenda issues be provided to the CAO the Thursday before a meeting, so that they can be added to the meeting package.
- The procedural bylaw asks that the open door session be limited to 5 minutes per individual, and a total of 15 minutes per meeting.
- The procedural bylaw asks that the delegations limit their presentations to 15 minutes.

The rationale for the use of the forms, is to assist in the effective ability of Council to represent the residents of the Village of Ryley. The use of the forms is common in many municipalities. The use of the forms assists Council and administration to prepare and where possible do some research and or review of issues to assist in the matter before Council. The understanding of the nature, and if possible, the request in advance helps to prevent the often required postponement of a response, or the action of not making a decision.

The forms mentioned above are available at the Village office, or on the web site at www.ryley.ca

WECAN now in Ryley!

About WECAN Food Basket

The WECAN Food Basket Society operates as a "warehouse without walls" – we buy all our food in bulk and distribute it to our community based depots. Volunteers staff the depots located throughout the Edmonton and surrounding area. Once a month, volunteer drivers pick up the food from our supplier, The Grocery People Warehouse, and take it to the depots. Our volunteers then count, sort and pack the baskets ready for pick up.

The Program in Tofield-Ryley

Members prepay for their food baskets by the first Friday of each month by depositing their order envelope: (Tofield) in the book depository at the Tofield Municipal Library, or (Ryley) in the mail slot at the Village of Ryley Office. Then, orders can be picked up on the third or fourth Thursday of the month (see table at right) at (Tofield) Bardo Lutheran Church, or (Ryley) Ryley Municipal Office.

A WECAN Food Basket consists of...

Fresh food is the staple of any healthy diet. Our food offering is:
 Meat Order (\$15): 2-3 cuts of frozen meat,
 Produce Order (\$10): 3 types of fresh vegetables and 3 kinds of seasonal fruit
 Members can order whatever quantity of each order they would like, for example:
 2 produce + 1 meat = \$35 or 2 meat + 1 produce = \$40
 Members prepay for their food basket on or by the first Friday of each month. Check Calendar for exceptions to orders and pick up dates.
 Membership is \$5 per year: Apr 1 to Mar 31.

Camrose Carpool

The Camrose Carpool, funded by the Government of Alberta as part of the Rural Transportation Pilot Program, is launching on February 25, 2019.

The Camrose Carpool is an innovative, user-friendly, web-based carpooling program (including a phone-in option) that will create opportunities for people to connect, carpool and share the cost of transportation. Participants will include local/rural residents, Rose City Taxi, Armand's Cabs, the Bashaw Bus Society and Rose City Handi-Van.

The program is free to use, has user ratings to help ensure user accountability and safety, and is mobile friendly. Users can post or view rides through the website www.camrosecarpool.ca or use the call-in feature at 780-781-8781.

The Camrose Carpool project will help increase transportation options in and around Camrose for Albertans without access to a private vehicle, while reducing single-car travel.

For more information or to post & view carpool opportunities, visit www.camrosecarpool.ca or call 1-780-781-8781

Haiti Rebuilding Fundraiser

THANK YOU !!

Margaret Jones expresses a heartfelt thank you to all who supported her Mom's Pantry fundraiser for a construction project in Haiti in 2020. Between the profit made selling Mom's Pantry products and generous donations given in lieu of buying products, over \$2400 was raised for the project. That's enough to build one hurricane shelter home! Thank you very much!

WHAT'S NEXT ??

The next fundraiser is FREE and a win-win-win-win for everyone. It's called a FUNDrive and it's a partnership with Value Village. Here's how it works:

WIN FOR YOU – you bag up used clothing, shoes, textiles (e.g. towels, sheets, pillows, etc.), housewares, toys, and books. Deliver the items to the Village Office during office hours or after hours as noted below and Margaret will recycle them for you. For each bag dropped off, you will receive a replacement garbage bag.

WIN FOR THE ENVIRONMENT – keep your unwanted items out of the landfill and reduce your carbon footprint. Did you know that every year, 26 billion pounds of clothing and textiles go to the landfills - 95% of which could be reused or recycled?

WIN FOR VALUE VILLAGE – they receive new inventory to support their business objectives, including providing employment, recycling unsold items to developing countries, and supporting charities.

WIN FOR Haiti ARISE – Value Village will provide a financial donation to Haiti ARISE (haitiarise.org) based on the weight of donated goods. Margaret is planning to travel to Haiti in January 2020 to assist with rebuilding homes and communities damaged or destroyed by the 2010 earthquake and/or the 2016 hurricane, two of the most devastating natural disasters in its history. Trip expenses are Margaret's personal responsibility; fundraising proceeds go directly to project costs.
