Trees and Grass

Trimming Trees: Residents are responsible to trim their trees to be within the bounds of their own property. This applies to back alleys, trees hanging over the sidewalk, and trees hanging over your neighbors property. Help the Village walkways stay clear for everyone to use, prune your trees.

Please be courteous to your neighbors to ensure that your trees and shrubbery do not encroach on their property. Neighbor to neighbor disputes are the responsibility of the landowners – they are not the responsibility of the village.

Grass Clippings: As you are all aware, many of our streets cannot be cleaned by the street sweeper. Please do not blow your grass clippings onto the street or alley. They decompose, become mud and can plug up the curbs and drainage system. Public works employees have been out hand shoveling the gutters to get them clean. Please do your part by NOT filling them with grass cuttings.

WECAN now in Ryley!

About WECAN Food Basket

The WECAN Food Basket Society operates as a “warehouse without walls” – we buy all our food in bulk and distribute it to our community based depots. Volunteers staff the depots located throughout the Edmonton and surrounding area. Once a month, volunteer drivers pick up the food from our supplier, The Grocery People Warehouse, and take it to the depots. Our volunteers then count, sort and pack the baskets ready for pick up.

The Program in Tofield-Ryley

Members prepay for their food baskets by the first Friday of each month by depositing their order envelope: (Tofield) in the book depository at the Tofield Municipal Library, or (Ryley) in the mail slot at the Village of Ryley Office. Then, orders can be picked up on the third or fourth Thursday of the month (see table at right) at (Tofield) Bardo Lutheran Church, or (Ryley) Ryley Municipal Office.

A WECAN Food Basket consists of...

Fresh food is the staple of any healthy diet. Our food offering is:

Meat Order (\$15): 2-3 cuts of frozen meat,
Produce Order (\$10): 3 types of fresh vegetables and 3 kinds of seasonal fruit

Members can order whatever quantity of each order they would like, for example:
2 produce + 1 meat = \$35 or 2 meat + 1 produce = \$40

Members prepay for their food basket on or by the first Friday of each month. Check Calendar for exceptions to orders and pick up dates.
Membership is \$5 per year: Apr 1 to Mar 31.

Ryley Depot:

Payment at: Ryley Municipal Office 5005-50 Street
Place your cash in an envelope with your name, phone number and order, then drop in the letter slot in Village Office door by 4:00 p.m. Friday

Pick-up at: Ryley Municipal Office 5005-50 Street
Thursdays (Check dates below) 3:15 p.m. to 4:15 p.m.

RhPAP

Don't miss out – become an RhPAP Rural VIP today! We have launched our initial survey, which will inform our discussions with the newly-elected provincial government on issues related to rural health care. Be sure to join Rural VIP today, and make sure your voice is heard when it comes to ensuring quality rural health care and service delivery!

What is a Rural VIP?

At RhPAP we value hearing from rural Alberta, and the Attraction and Retention (A&R) committees we are connected with. Over the years, RhPAP has had the privilege of sitting at rural community tables, gaining insight into what communities are most passionate about when it comes to rural health care and service delivery. We have learned a lot from your communities and are always considering how best to effectively share your rural perspective with provincial decision makers.

We have developed a provincial platform for rural communities to provide voice to those health-related matters – the Rural Voice Information Panel, or Rural VIP.

The Rural VIP will be a regular feedback process carried out through online surveys and provincial or regional workshops and conferences several times a year. RhPAP will compile the rural input received and provide a summary back to all respondents. We will share your feedback, ideas and concerns with relevant provincial decision makers, policy developers and leaders.

We invite you and all members of your A&R committee to sign up for this Panel! Please share this email invitation with your fellow A&R Committee members – the more voices we can hear from the better we can understand and share your stories, thoughts, and challenges.

The link below will take you to the sign-up page for Rural VIP: <https://mailchi.mp/a36f0a93dbdd/rhpap-vip>

Multi Club Achievement Day

While you're out celebrating Farmer's Day, head out to visit the Beaver County 4-H Multi Club at the Holden Complex from 12:30-2:30pm for their year-end Achievement Day. Members are eager to talk with the public about their projects and are not afraid to keep on learning! There will be silent auction items to bid on as well; funds go directly to the club. Following, the photography group will have a photo booth session: sitting fee \$2. Come on out and see what you've helped create and encourage the kids of your community!

Emergency Preparedness

Municipal Affairs Minister Kaycee Madu issued the following statement on Emergency Preparedness Week in Alberta:

“Disasters and emergencies can strike at any time. The goal of this year’s national Emergency Preparedness Week, May 5-11, is to raise awareness that all Albertans have a role to play in building safer communities.

“There are simple steps each of us can take to better prepare ourselves and our loved ones.

*** Know the risks** <<https://www.alberta.ca/emergency-preparedness.aspx>> – Find out more about your community’s emergency plans by contacting your local municipal office. Know these risks and the best way to respond to them.

*** Make a plan** <<https://www.alberta.ca/make-an-emergency-plan.aspx>> – An emergency plan will help you cope with the stress of a disaster. Make a plan for what your family will do and who they will contact during an emergency.

*** Build a kit** <<https://www.alberta.ca/build-an-emergency-kit.aspx>> – In an emergency, you and your family should be prepared for a minimum of 72 hours. Build your kit to suit your particular needs with enough non-perishable food, water, medicines, warm clothes and comfort items for all family members.

“I encourage all Albertans to download the Alberta Emergency Alert <<https://www.emergencyalert.alberta.ca/content/about/signup.html>> app to their cellphones. Alberta issues alerts to provide critical information about an immediate disaster, where it is happening and what action you need to take to stay safe.

HAITI REBUILDING FUNDRAISER

THANK YOU !!

I’d like to express my heartfelt thanks to everyone who donated used items to my Value Village FUNDrive fundraiser for a construction project in Haiti in 2020. Would you believe that 6600 lbs of used items were collected and delivered to Value Village? That’s about 3 tons of material that might otherwise have ended up in our landfill.

The landfill wasn’t the only winner = between the money paid by Value Village and other generous cash donations, over \$3600 was raised for my Haiti construction project. That’s enough to build one hurricane shelter home! Thank you so much!

A special thank-you is due as well to Village Council and staff who graciously allowed me to use their office and some staff time to collect the used items.

WHAT’S NEXT?

My team’s hope is to build 15 homes so our goal is pretty steep - between \$30,000 and \$40,000. This means more fundraisers are necessary. I plan to hold another used clothing drive in October, so if you’d like to participate again (or weren’t able to donate the first time), you will have another opportunity.

Besides that, we’ve started a GoFundMe page if you’re interested in that kind of thing and I’m milling over a few other ideas. I’ll be sure to post news of the next fundraiser on Ryley Today or the Village Voice.

Thanks again, Ryley, for your support. This is indeed an amazing community of which we can be proud!
