Summer Youth Program

This year has been a blast for the Summer Youth Program over at the Curling Rink ran by FCSS. The children were kept busy with kite making, working with papier mache, building bird houses, soap carving and nerf wars to name a few. They also had theme days such as Super Hero, Mad Science Day, PJ and Movies and Medieval Day. The program also had out field trips to the Edmonton Prospects Baseball game, bowling, Capital Region Archery, Mobile Escape Squad, Beach Day at Half Moon Lake, Game OVR and a day at Rundle Park. When I spoke to some of the children they expressed how much fun they were having and just loved the program and this went for the parents and caregivers as well. It's great to see these types of programs available in Ryley during the summer. There was a growing number in the children attending this year and at one point they had as many as 30. Job well done by FCSS and their staff on the success of their program. I can't wait to see what exciting things they have planned for 2020!

Don't forget to join FCSS on their Free Family Movie Nights which are to start up again this fall at the Ryley Community Center and in Tofield. You will be able to find dates and movie listings in the upcoming issues of the Village Voice.

What's In the CAO's Sights?

Hello Ryley! I have some great news. We are on the final leg for "Cessation of the Train Whistle!" All the necessary bureaucratic papers and reports and studies and certificates and measures and emails and letters and phone calls are complete. Just to make certain though, Angel is going to keep talking with CN and Transport Canada to ensure the file doesn't get put aside. Very soon we will no longer hear that train whistle coming through!

So, what else is in my sights? Well, as I am rustling around the daily details of our annual budget, our HR and administrative policies, and how we can become more efficient in managing our community services, my biggest concern is our Capital Plan. It's very simple to see if a municipality has a successful Capital Plan: what is the condition of the roads? Roads are a key indicator for a successful Capital Plan. I would say that we are not doing well. However, we are not alone. In fact, we are very average. Some people call it a national emergency because of the extremely high percentage of municipalities across Canada that are struggling with their infrastructure like roads. It's very easy to see the problem and very easy to criticize the management of infrastructure – however, it's very difficult to achieve success. If it were easy, there wouldn't be a national emergency. That said, we can do this!

If you ever wonder what the big hype has been about the recent changes to the Municipal Government Act (MGA), the primary focus is on infrastructure and ensuring that municipalities have the assistance they need to adopt a good Capital Plan. The toughest part about a Capital Plan is wrapping our minds around creating a very long-term and a stable commitment that covers decades of activities, and then sticking to that plan year after year. Roads are only one part of many in a Capital Plan but let me characterize the issue...

Ryley has approximately 10 kilometres of streets. A typical asphalt has a life of 20 years if maintained properly and can last 30 years if well-maintained. If we were to pave all roads in Ryley next year, we would need to redo everything again in 20 years, a huge problem now and then again in 20 years. This is where we are right now, and we need to get out of this problem. Besides, we cannot pave 10 kms next year – we don't have that kind of money saved up: somewhere between 10 and 20 million dollars depending on sidewalk, drainage, sewer and water repairs needed. In order to budget for this, we must look at spreading this over the life of a road: 20 years. Therefore, we need to pave one kilometer every 2 years. It's going to take 20 years to get Ryley

paved. The problem is that we can't speed this up because it would cost too much in loan and interest fees, a debt which means we wouldn't be saving for the next cycle. Additionally, we would be struggling for cash to maintain those roads properly, which would mean our roads would decline faster than 20 years.

We have a great challenge today and we want to avoid this challenge for our future generations and to set them up for the next cycle to use our well-managed savings to make things even better next time. If we do things correctly now and maintain things well as we rebuild in the coming years, our infrastructure can last much longer. This would be a huge savings for additional future initiatives. We need to think of this just like mortgaging our first home. We will need to borrow something, or we would never get started. The trick is that we need to balance our debt load with our cash-flow to find the best balance of enjoying today and paying for tomorrow. The good news is that the federal and provincial governments are focused on rewarding those of us that get good Capital Plans in place so I'm enthusiastic.

As the CAO, it's my job to deliver these ideas to Council and to offer up a few good options that they can consider and weigh against our collective community priorities. So, while Council and I are developing next year's budget, my biggest consideration is how we are going to mortgage our Capital Plan.

WECAN now in Ryley!

About WECAN Food Basket

The WECAN Food Basket Society operates as a “warehouse without walls” – we buy all our food in bulk and distribute it to our community based depots. Volunteers staff the depots located throughout the Edmonton and surrounding area. Once a month, volunteer drivers pick up the food from our supplier, The Grocery People Warehouse, and take it to the depots. Our volunteers then count, sort and pack the baskets ready for pick up.

The Program in Tofield-Ryley

Members prepay for their food baskets by the first Friday of each month by depositing their order envelope: (Tofield) in the book depository at the Tofield Municipal Library, or (Ryley) in the mail slot at the Village of Ryley Office. Then, orders can be picked up on the third or fourth Thursday of the month (see table below) at (Tofield) Bardo Lutheran Church, or (Ryley) Ryley Municipal Office.

A WECAN Food Basket consists of...

Fresh food is the staple of any healthy diet. Our food offering is:

Meat Order (\$15): 2-3 cuts of frozen meat,
Produce Order (\$10): 3 types of fresh vegetables and 3 kinds of seasonal fruit

Members can order whatever quantity of each order they would like, for example:

2 produce + 1 meat = \$35 or 2 meat + 1 produce = \$40
Members prepay for their food basket on or by the first Friday of each month. Check Calendar for exceptions to orders and pick up dates.

Membership is \$5 per year: Apr 1 to Mar 31.

Ryley Depot:

Payment at: Ryley Municipal Office 5005-50 Street
Place your cash in an envelope with your name, phone number and order, then drop in the letter slot in Village Office door by 4:00 p.m. Friday

Pick-up at: Ryley Municipal Office 5005-50 Street
Thursdays (Check dates below) 3:15 p.m. to 4:15 p.m.

2019 Month	Fees Due	Pickup Thursday
September	6	19
October	4	17
November	8	21

PLEASE NOTE:

FOOD ORDERS THAT ARE NOT PICKED UP WILL NOT BE REFUNDED. WECAN reserves the right to sell unclaimed baskets or distribute them to families in need. A grant for our volunteer driver generously provided by: Beaver Municipal Solutions

EMPLOYMENT OPPORTUNITY DEVELOPMENT OFFICER

Beaver County is a rural municipality southeast of Edmonton. It is located along the Province's High-Load Corridor and has a diversified tax base, ranging from acreage development in the west, to mixed farming in the centre and east, and gravel/oil/gas extraction in the east. The population is 5905 with a regional population (including two towns and two villages) of 9900.

Beaver County is seeking a skilled, motivated, and customer-oriented person for the position of Development Officer.

Reporting to the Assistant Chief Administrative Officer, the Development Officer will carry out the following position responsibilities:

- ~ Provide information/advice regarding development and subdivision proposals, including interpretation of the County's MDP and LUB, and other relevant planning legislation
- ~ Accept, process, and decide upon all permitted and discretionary use applications
- ~ Prepare subdivision application decisions for signature of the Subdivision Authority
- ~ Inspect application sites prior to making a decision
- ~ Enforce development regulations and approval conditions
- ~ Issue compliance certificates
- ~ Defend decisions to the Subdivision and Development Appeal Board
- ~ Process road closure applications and administer leases of County-owned property
- ~ Recommend and process amendments to the County's MDP and LUB
- ~ Assist with updates to Inter-municipal Development Plans
- ~ Liaise with safety codes inspection agency regarding coordination of development and safety codes permits, and lead annual audit within the region
- ~ Liaise with vendor regarding updates to the GIS program
- ~ Prepare statistical reports regarding development

activities

~ Assist with other administrative duties as required

Qualifications include:

- ~ Certification in Applied Land Use Planning and/or related education, or equivalent experience
- ~ Proven knowledge of municipal legislation and relevant statutes
- ~ Computer proficiency (Microsoft Office)
- ~ Knowledge of GIS (webmapping)
- ~ Personal initiative, the ability to work independently, and as a team-player
- ~ Effective public presentation skills and good written communication skills
- ~ Highly organized and detail-oriented
- ~ Experience in a municipal government setting
- ~ Valid driver's license

Hours of work are 35 hours per week, Monday to Friday, with an opportunity to participate in an Earned Day Off program. Salary range is \$68,004 to \$82,739. A comprehensive benefits package is available.

Competition will remain open until a suitable candidate is found, however applications received before 4:30 pm, Thursday, September 5, 2019, will be given first consideration.

Interested applicants should forward a resume, including a minimum of three references, to the following address:

Margaret Jones, Assistant CAO

Old Time Family Picnic – A great success

Close to forty people came out to the family picnic, held on Friday August 23 and sponsored by the Ryley Museum Society.

Several people took advantage of the extended museum hours to take a quick tour of the exhibits from days gone by.

A variety of potato and macaroni salads along with hotdogs were the first course of the meal. A choice of desserts included watermelon, pumpkin cake, ice cream cones, and marshmallows browned over the fire. Many of those attending reminisced about camping trips and cooking hotdogs over the campfire. Those hotdogs always taste so much better, even the burned or half cooked ones!

The children had the opportunity to take part in egg-on-a-spoon races. Each of the participants received a treat bag to take home. A special thanks goes out to Beaver County for providing a variety of items which were added to the bags.

Thanks go out to all those who attended the picnic, and to all the board members for their contributions to the meal, the preparations, and the cleanup.

As society members, we anticipated that more families with children would have come out to enjoy the afternoon and the picnic. Anyone with suggestions regarding a possible different day of the week for the next event can pass on their ideas to any board member.

Community Preschool Registration

Do you have children aged 3-5 years by December 2019? Are you looking for a fun, safe & nurturing environment in which they can learn, socialize and grow? Ryley Community Preschool is a fully licensed program that runs from 9:15-11:45 every Tuesday & Thursday morning following the school calendar. We are located at 5111-54th Ave, in the basement of the Good News Community Church.

Our Curriculum is play-based, focusing on age appropriate & engaging activities, crafts, stories, toys & field trips.

Registration/orientation for the 2019/2020 will be held **from 9:15-11:45 on Thursday September 12th, 2019.** This is a great opportunity to meet the staff, check out our facilities & choose a cubby. The first day of preschool will be Tuesday, September 17th.

We are able to offer our program for one of the lowest rates in the Beaver/Camrose Counties thanks to the generous support of Beaver County, BMS, Village of Ryley, Clean Harbors, Ryley Lions Club, The Rink, Battle River Community Foundation and the Ryley Community.

For more information, or to pre-register, please contact Larissa @ 780-878-1751. We look forward to spending time with your child and you.
