Heroes in Our Neighbourhood

I spoke about Good Neighbours last month and one fine Ryley citizen called us and made a wonderful recommendation that we start some form of Citizen Recognition Award: I LOVE this great idea! I will discuss some concepts with staff and approach Council with some recommendations that will bring respect to the recipient and value to our community. In the meantime, we thought it would be a nifty idea to offer up some quick tokens of recognition for a few particular members of our community that recently demonstrated a high level of community commitment and service... maybe they could be future recipients if we do start some kind of formal municipal award.

Now, I will preface this with a warning that this short list of three people is not exhaustive, and it isn't meant to be the coveted winners. I see and hear about many people in and around Ryley who do many wonderful things and I know that I only see and hear a very small fraction of what goes on in and around Ryley. So, these three people are representative of many of you; therefore, please excuse me if you know of someone else who is also deserving of great recognition this month. In fact, please send us a note if you do we will start a special list to keep secure.

We want to recognize Grethe Cardinal for stepping up over the last few months by extending the hours of the rink kitchen after the Blue Sky Restaurant closed. Grethe recognized that Ryley had no other food service outlet, so she voluntarily started a very long and arduous summer schedule that I know many of us appreciate. Grethe enjoys serving our community and I think she enjoys providing a food service

for us. But more importantly, we are very impressed by her stalwart effort of early mornings, late evenings and long weeks. I get tired just thinking about the contribution that Grethe gifted us throughout this summer of 2019 by extending her hours for four months!

Now, that friendly citizen who made the wonderful recommendation for a Citizen Award also nominated someone special. Chung Myeung Joo can often be seen industriously sweeping and cleaning the property and the surrounding areas around our Ryley Grocery Mart. Myeung Joo is that family's patriarch and he provides much more than a role model for his family at

the Mart: his diligence, care and attention to keeping Main Street looking good is impressive and is inspiring to me. He always has a smile for me, and he makes me feel good when he greets me. I am going to assume that you all get that same warm character and welcome salutation from Myeung Joo.

We want to recognize Mark Deacon for selflessly volunteering to help one of our Ryley citizens who needed community service support very badly. Mark generously stepped forward and helped our vulnerable citizen by giving time, conversation and transportation to appointments in Tofield that the Village and FCSS assessed as being critical needs. If it weren't for Mark's assistance, compassion and support, help could have been delayed, putting our vulnerable citizen's health in even greater danger. Mark demonstrated great leadership and model citizenship by stepping up.

As I said earlier, these three Heroes In Our Neighbourhood are representative of many of you and are a sample of the ongoing community care that occurs throughout Ryley. It just so happens that we caught these three in the act recently so I thought they would make great subjects for this article.

Have a Great Day Ryley :)

Healthy drinks during the holiday season

With Christmas, Hanukkah and other major holidays around the corner, many people think about the food celebrations that may come with it, but not the drink choices. Rethinking your drink can be helpful since what you drink doesn't help you feel full. This makes it easy to consume extra sugar from drinks and not even notice.

What is a healthy drink?

The 2019 Canada's Food Guide includes healthy drinks. Water is encouraged as the "drink of choice" to keep you hydrated.

Other healthy drinks include unsweetened lower fat white milk, unsweetened fortified plant-based beverages such as soy beverage and almond beverage and unsweetened coffee and teas.

Since many celebrations include drinks that have a higher fat and sugar content, here are a few ways to cut back on one or both.

- Choose black coffee, tea or herbal tea (with or without two-per-cent, one-per-cent or skim milk).
- Instead of a sugary drink like pop or juice, add flavor to water with cucumber slices, cranberries, sliced oranges or other fruit.
- If you choose to enjoy regular pop or fruit punch, cut back on the amount by alternating each sugary drink with water.
- For hot chocolate, you can try adding less chocolate mix or mixing ½ hot chocolate with ½ coffee or ½ steamed milk. For eggnog, you can try ½ egg nog/ ½ lower fat milk

If you choose to drink alcohol, remember alcohol adds extra calories to your diet, along with the potential for other health risks and harms. There are lower risk drinking guidelines for Canadians which if followed can reduce health risks:

- Limit of 10 drinks a week for women with no more than 2 drinks a day most days
- Limit of 15 drinks a week for men, with no more than 3 drinks a day most days

For more information on reducing the risks associated with alcohol go to the link below.

The WECAN Food Basket Society operates as a "warehouse without walls" – we buy all our food in bulk and distribute it to our community based depots.

The Program in Tofield-Ryley

Members prepay for their food baskets by the first Friday of each month by depositing their order envelope in the mail slot at the Village of Ryley Office. Then, orders can be picked up on the third or fourth Thursday of the month at the Ryley Municipal Office.

A WECAN Food Basket consists of...

Fresh food is the staple of any healthy diet. Our food offering is:

Meat Order (\$15): 2-3 cuts of frozen meat,

Produce Order (\$10): 3 types of fresh vegetables and 3 kinds of seasonal fruit. Members can order whatever quantity of each order they would like, for example:

2 produce + 1 meat = \$35 or 2 meat + 1 produce = \$40

Membership is \$5 per year: Apr 1 to Mar 31.
