

## **BEAVER FOUNDATION**

March 16, 2020

### **RE: CORONAVIRUS DISEASE (COVID-19)**

Beaver Foundation encourages everyone to help us protect our Residents/Tenants and prevent any potential spread of COVID-19 and other illnesses. At this time, we are asking only essential visits be allowed. Please do not visit if you are feeling unwell, or showing symptoms of: fever, cough, difficulty breathing, or flu like symptoms.

If you or someone in your household have been out of the country, or have been in contact with someone with the symptoms listed above, please refrain from visiting at Holden Lodge, Sunshine Villa, Tofield Lodge, and Vialta Lodge. As well as, Beaver Manor, Ryley Lions Golden Manors 1 & 2, Northview Manor, and Beaverhill Heritage Apartments.

Again, please be advised that Beaver Foundation requests that only essential visits be allowed and that all outside activities/ entertainment coming in is cancelled until further notice. Essential visits warrant homecare support/ or family medical emergency visits, if a residents health should decline.

Thank you for your cooperation.

Sincerely,

Owen Ligard, CAO  
Beaver Foundation
