Sports Day - Safety Style

On June 18 you will receive a Sports Day Safety Style Activity Box. In this box you will find activities you and your family can participate in. Some of these activities are on-line but don't worry we have something in there for everyone of all ages. If you will not be home for the weekend of June 19-21, and/or wish to not participate please contact Angel. Any unwanted boxes will be up for grabs to any households that may have multiple family members and would be in need of

additional supplies. If you are someone who has a large household and feel you would need that extra supplies please contact Angel.

Watch for more information coming soon in your mail boxes!

To take full advantage of the weekend we encourage you to join the Facebook pages Ryley Today and Ryley Communicates. The weekends activities and information can also be found on the Ryley website at Ryley.ca.

Angel 780-663-3653 or angel@ryley.ca

Want the Village Voice sent right to your email?

Email angel@ryley.ca and we will send you a copy every month!

CAO's Corner:

HELLO RYLEY!!!

I read some posts on our local social media recently and they brought me great disappointment. I am appalled by some of our local citizens when they engage in inappropriate language and personal attacks in a public forum. I find this especially disturbing because our community's youth are also on these platforms and we adults should be positive role models. I enjoy some public challenge and critical questions – these are healthy, and they motivate interaction and discussion. They keep our community communicating and inform us all on what we as a community group think and feel. However, personal attacks do not belong in our community and none of us need such disrespect.

What is the Village Staff up to? Firstly, as much as we would like to greet you in person, we have decided it is safer to keep the office door locked for just a while longer. Most of the staff are working at their desks inside while keeping a COVID safe social distance and furiously wiping and cleaning often to keep the building sterile. A few of the staff have health concerns that bring a higher threat for COVID exposure, so when we open the office to the public, we will need to spend significantly more time and energy on additional cleaning and health protocols. That will take time away from our primary duties in serving you. I believe that we have an exceptionally good system of telephone response and we can continue to physically respond to any of your municipal needs. If you call the office and get the answering machine, please leave a message – we are answering the phone during normal work hours and we are checking messages all the time, even remotely when we are not in the office. We are at work and are fully serving you.

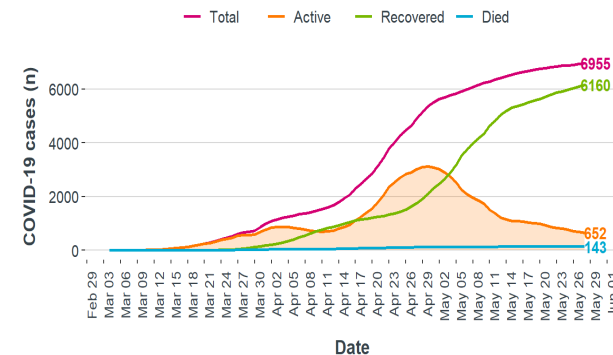

I have good news and bad news: the good news is that we received a grant to conduct an engineering study so we can build proper drainage to end our incessant flooding throughout Ryley. This study will take two years so the bad news is that we must hold our breath for just a bit longer. In the meantime, we have placed a high priority on removing puddles, swamps and lakes by clearing out some of the present drainage systems and creating some temporary extra ditching and swales. What this means to you is that, while we focus on the big water to start drying up Ryley to decrease those sewer backups and road degradation, our focus on some of the other Village maintenance may be delayed just a bit. I ask for your patience as the Public Works Staff is working on systemic priorities that will make bigger difference in the long run. That said, if you do feel that something must be addressed, please

call the office and we will investigate it immediately.

I am working with Council to consider a bold budget this year. This is taking time while they carefully consider and establish our priorities for the year. What we do know is that 54 Avenue must be replaced because the sewer pipes underneath 54th are failing and will not make it through the next winter without severe impact to those residents. This will be our biggest expenditure of the year. The weather has finally warmed up enough so last year's project on 52 Avenue between the school and the trailer park is being paved by the time this hits your mailbox (or very shortly after). The ground-breaking ceremony on our Ryley Solar Power project is on Wednesday 10 June, out by the lagoon: the time is to be confirmed but we are looking at 10 a.m or 2 p.m. We are on track to energize by August. Watch our website for progress. Finally, we are aligning priorities to focus on your recreation and amenities, on how to stimulate business and economic development and of course, on what we should do as a community about the future of our Ryley Students.

Public Works is fighting a huge battle on alleys. Last summer's flooding and this winter's frost heaving has destroyed them faster than we can keep up with and now the heavy equipment such as garbage trucks are beating them up badly. Again, please be patient as we work on the strategy of diverting stormwater to allow a deeper drying out of the ground beneath our alleys to firm them up before we start remediation.

You are probably baffled by all the statistics in the news on COVID-19 cases. I found this graph which gives us a good sense of what is happening out there. Alberta is recovering very well, but we need to keep safe by continuing to be diligent. The protocols remain the same: keep your six (6) foot distance from each other, wash your hands often, clean surfaces often and keep your hands away from your face. Remember that sun, exercise and fresh air strengthen your immune system, so I encourage you to get out and go for walks.

NOTES FROM

Tofield-Ryley WECAN Depot

1. WECAN is continuing as long as TGP is able to provide us with food. You will always be updated.
 2. We have many precautionary measures in place to ensure your safety and ours, when picking up.
 3. We welcome any new members who might like to get great, fresh meat and produce for \$25 once a month. For more info, call or text Dawn at 780-991-1429 or Treva at 780-718-5420.
 4. Orders are due by 5 pm the 1st Thurs. of the month.
 5. If you want to order you have several options:
 - a. E-transfer to tofieldwecan@gmail.com
 - b. Drop your envelope through the door letter slot at the Food Bank - 5204 50 st, Tofield. They are keeping the orders for me.
 - c. Drop through the mail slot at the Ryley Village office front door.
- PLEASE DO NOT DROP THEM IN THE BOOK RETURN
AT TOFIELD LIBRARY until this
COVID-19 crisis is over.

**Please take care and
stay safe.**

Community Together

The Village of Ryley is working on and excited about
a "Community Together" program to help and support
each other and our community.

What is "Community Together"?

The Village of Ryley will coordinate regular communication through the best form of communication that serves you: whether that be by telephone, internet email, door knocking, postal mail, or any other idea you might come up with... (well, we don't have carrier pigeons so that's off the table).

Through this communication network, we will keep you informed, provide you a method to keep us informed on your health and well-being, (if you choose to share this information) and arrange for anything that you might need. We want to develop a network that will make it easy for us as a community to look after each other.

In order for "Community Together" to work efficiently, we would like to collect some info through a voluntary sign up plan: if you want to be in the "Community Together" program, then you simply need to provide us some basic information so we can add you to our list, similar to a Community Membership.

The information we would be requesting will NOT be stored with our tax records. It will be collected, stored and used solely for this "Community Together" program and it will not be shared for any purpose other than the "Community Together" program, keeping compliant with Privacy regulations.

So; Acknowledging that you might not use the internet, we are offering numerous ways for you to sign-up: website, email, form drop-off at the office, mail, or telephone message. The information is minimal and is in a simple format.

We are all in some way being impacted as a result of this pandemic and we are all struggling with communication, contact, networking and how to support each other. Many of us have simple needs that are suddenly very complex with stores being closed and social distancing protocols in place. Many of us have medical conditions or demographics that place us in a higher risk category.

This is the time to lean on each other – don't be afraid to ask for help. Some of us need help and all of us want to help our community and neighbours in any way we can. We may feel helpless without a network to understand what is needed and how each other are doing. We are very excited about this idea and we hope you are too!

Let's get our "Community Together"! To join or for more information please contact the Ryley Municipal Office at 780-663-3653 or email commmtog@ryley.ca

Employment Opportunity

~ Ryley ~

The Ryley Municipal Office is accepting applications for the Summer Employment Student. Summer employment will be full time 30 to 40 hours per week, possible start dates July 1 till end of August 2019. You must be over the age of 16. It would be an asset to have a valid driver's license. Duties include assisting Public Works, office staff, mowing and general indoor and outdoor work. Send resumes to Village office at Box 230, Ryley, AB, T0B 4A0, or drop off through office door mail slot. Closing date June 15th, 2020. Office is located at 5005-50 St. We appreciate and consider all applications however only those selected for an interview will be contacted.

Need a hand?

Over a year ago the Ryley Municipal office developed a Helping Hands Program for people in need of a hand. Over the last year we have had many community volunteers add their names to the list to help you. If you are someone in need of some help please contact Angel and she will try to get you the assistance you need. Contact Angel at 780-663-3653 or email angel@ryley.ca

We all need a hand every once in a while so please don't be afraid to ask!

Trees and Grass

Trimming Trees and bushes: Residents are responsible to trim their trees and bushes to be within the bounds of their own property. This applies to back alleys, trees and bushes hanging over the sidewalk, and hanging over your neighbour's property. Help the Village walkways stay clear for everyone to use, prune your trees and bushes. Please be courteous to your neighbours to ensure that your trees and shrubbery do not encroach on their property.

Grass Clippings: Many of our streets cannot be cleaned by the street sweeper. **Please do not blow your grass clippings onto the street or alley.** They decompose, become mud and can plug up the curbs and drainage system. Public works employees have been out hand shoveling the gutters to get them clean. Please do your part by keeping them clear of grass and leaves.

Holden Museum

4928 – 50 Ave, Box 32, Holden AB T0B 2C0

Community based Museum of earlier Holden and area.
Planned Reopen to Public starting Saturday June 13, 2020 and Saturdays from 12 – 4 PM after this.

SUPPORT YOUR LOCAL MUSEUM!

Current Fire Ban Status

Plan on having a fire? Don't forget to check on Fire Ban Status before you do by going to besc.ca or call BESC at 780-336-3041.

Alberta Fire Ban Mobile Application THE BRAND NEW ALBERTA FIRE BANS MOBILE APPLICATION!

Available for iOS and Android, the Alberta Fire Bans application is intended to provide the public with quick access for fire bans in the province. Keeping people informed of fire bans across the province will help people plan their summer activities safely, whether in their backyards or in Alberta's parks and natural areas, while reducing the risk of wildfire. I encourage you all to download the app and make yourself aware of its features and benefits as we begin to roll it out for this current wildfire season. Please note: as a part of the government's open data portal, there is currently another Alberta fire bans application available to download. We cannot ensure the data within that third party application is completely accurate, so please begin using the application owned by the Government of Alberta.

The Gallery

4916 – 49 Avenue, Holden AB T0B 2C0

780-662-3511

Tuesday & Friday: 10-12 noon

Wednesday: 2-4 p.m.

If you need assistance, even if you have never accessed the food bank before this COVID-19 crisis, please call us for a hamper for your household. Call by 9 p.m. the day before you require the hamper and leave a message. One of our volunteers will return your call.

During this crisis, we also offer DELIVERY for those who cannot come into our Food Bank because transportation problems, isolation/quarantine, or just because our hours of operation don't work for you.

Haiti Rebuilding Fundraiser

Margaret Jones is coordinating another FREE fundraiser for her team's house-building project in Haiti next year. This fundraiser is unique because it is a win-win-win for everyone. It's called a FUNDrive and it's a partnership with Value Village. Here's how it works: **WIN FOR YOU** – you bag up used clothing, shoes, textiles (e.g. towels, sheets, pillows, etc.), housewares, toys, and books. Deliver the items to the Library (when it re-opens) or to Margaret's house (in the collection bin beside the driveway) and she will recycle them for you, free of charge.

WIN FOR THE ENVIRONMENT – keep your unwanted items out of the landfill and reduce your carbon footprint. Did you know that every year, 26 billion pounds of clothing and textiles go to the landfills - 95% of which could be reused or recycled? Through Margaret's last 2 FUNDrives, 7.5 tons of used items were diverted from the landfill.

WIN FOR VALUE VILLAGE – they receive new inventory to support their business objectives, including providing employment, recycling unsold items to developing countries, and supporting charities.

WIN FOR Haiti ARISE – Value Village will provide a financial donation to Haiti ARISE (haitiarise.org) based on the weight of donated goods. Margaret is planning to travel to Haiti next year to assist with rebuilding homes and communities damaged or destroyed by the 2010 earthquake and/or the 2016 hurricane, two of the most devastating natural disasters in its history. Trip expenses are Margaret's personal responsibility; fundraising proceeds go directly to project costs.

ELIGIBLE USED ITEMS

(Please bag items for each category separately)

1. Clothing in good repair, shoes, hats, mitts, scarves, socks, purses, backpacks, shoes, etc.
2. Housewares and toys
3. Books

INELIGIBLE ITEMS

NO mattresses, baby gear, appliances, furniture, auto parts, building materials, tires, or flammables.

Commercial space available in Ryley.

Call 780-974-7746

For Rent, Lease or Sale

Do you have property for rent, lease or sale? Send information to Angel at angel@ryley.ca and we will advertise for you at no cost.

McPherson Municipal Library

Closed until further notice due to COVID-19.

EMPLOYMENT OPPORTUNITY

The McPherson Municipal Library is accepting applications for the position of Student Summer Reading Program coordinators. Start date is June 15. Please contact the Library for details. Resumes can be emailed or dropped in the book return.

Tofield/Ryley/Beaver County West FCSS Summer Program

Due to the COVID-19 Pandemic, the TRBWFCSS Summer Program in Ryley will be delivered in binder/virtual format beginning in mid-June. We will be partnering with the McPherson Library and the Mental Health Capacity Building team to deliver families a binder or electronic copy with weekly schedules of activities, videos to access and a box of supplies to work with. Look out for more detail soon and feel free to contact Sam at 780-662-7067 to learn more or email

communityprogrammer@tofieldlaberta.ca.

Seniors Appreciation Week June 1st to 7th

Tofield/Ryley/Beaver County West FCSS has partnered with the River Rock Café to provide a free soup and bun (take out) to seniors living in the Village of Ryley on June 4th. Stop by the River Rock Café on June 4th any time during their business hours. Our team wants you to know we are grateful to the seniors in our communities, we truly appreciate you and hope this small gesture acknowledges how important you are to us.

Ryley Appointments

FCSS will be in the Ryley Municipal office June 4, 11, 18. Full day 9 to 4 p.m. by appointment only. To make an appointment please call the Ryley Municipal Office at 780-663-3653, FCSS Office at 780-662-7067 or email Tracy at tboastradley@tofieldlaberta.ca

Fountain of Youth

Tofield/Ryley/Beaver County West has put together a "Fountain of Youth" that will be put up in the Ryley Golden Lion Manor.

We are asking for the youth in our community to add to this fountain for our seniors to appreciate. Youth can contribute a drawing, a poem or maybe a nice joke for them to enjoy while we are social distancing.

Please submit your art to the attention of Sam Giegold at TRBW FCSS through email at communityprogrammer@tofieldlaberta.ca and we will post it to the fountains!

DREVER AGENCIES

Need gas locally? We're here to serve you! Call today!

780-672-2572

We also do Fuel deliveries to the area within 36 Hour Maximum.

NOTICE OF PUBLIC HEARING
VILLAGE OF RYLEY (the "Municipality")
IN THE PROVINCE OF ALBERTA
**PROPOSED RESOLUTION REGARDING
BEAVER MUNICIPAL SERVICES (BMS):**

- That the Village of Ryley has considered on May 5, 2020 the business plan adopted by Beaver Municipal Services (the "Business Plan") and has approved the contents of it, in consideration of the decision in order to cause a corporation, to be called "Claystone Waste Ltd.", (the "General Partner Corporation") to be incorporated pursuant to the Business Corporations Act, which General Partner Corporation will act as the corporate entity to operate the registry office, and
- That the Village of Ryley provides its notice of intention to hold a public hearing on Tuesday 16 June 2020, as required by Sections 75.1, 75.5, 230 and 606 of the Municipal Government Act and Section 3 of the Municipally Controlled Corporation Regulation, prior to causing the General Partner Corporation to be incorporated.

**To be held June 16, 2020 at 7:00 pm
in Ryley, Alberta**

PURSUANT to sections 75.1, 75.5, 230 and 606 of the Municipal Government Act, Revised Statutes of Alberta 2000, Chapter M-26, as amended and Section 3 of the Municipally Controlled Corporation Regulation, A.R. 112/2019, the Council of the Municipality, in the Province of Alberta hereby gives notice of its intention to incorporate and control a corporation pursuant to the Business Corporations Act.

THE PURPOSE of the proposed Resolution is:

1. Beaver County, Town of Tofield, Town of Viking, Village of Ryley and Village of Holden are the sole members of the Beaver Regional Waste Management Services Commission also known as "Beaver Municipal Solutions", (the "Commission");
2. The Commission and the five municipal members, including the Municipality, wish to corporately reorganize the Commission, by transferring operations over to the proposed Claystone Waste Limited Partnership (the "New Waste Provider"), with these five municipalities being the sole partners in the New Waste Provider;
3. As the New Waste Provider is a limited partnership, a new municipally controlled corporation shall be created pursuant to the Business Corporations Act

("BCA") to act as the General Partner of the New Waste Provider, to be called Claystone Waste Ltd. (the "MCC"). The same five municipalities will also be the only shareholders of the MCC;

4. The Municipality wishes to be a shareholder and jointly create and control the MCC under the BCA;
 5. Pursuant to both the terms of Division 9 of Part 3 of the Municipal Government Act (the "MGA") and the Municipally Controlled Corporation Regulation (the "MCC Reg"), a municipality may only incorporate and control a corporation incorporated pursuant to the BCA if certain preliminary steps are taken, which include, but is not limited, to holding a public hearing as stated hereof;
 6. The Council of the Municipality wishes to comply with all obligations under the MGA and the MCC Reg to cause the MCC to be incorporated.
- DURING THE COVID-19 PANDEMIC, the Government of Alberta has enacted the Meeting Procedures (COVID-19 Suppression) Regulation pursuant to Order in Council 099/2020 (the "COVID Regulation") to permit for electronic hearings to be held instead of in person hearings, in light of the global COVID-19 pandemic; THE FOLLOWING INFORMATION will be disclosed at the public hearing:
1. the services the corporation and the New Waste Provider intends to provide;
 2. the names of the five municipalities who will be the shareholders of the MCC;
 3. the geographic locations in and outside Alberta in which the corporation intends to provide services;
 4. the projected rate structure for the cost of service; and
 5. the market impact analysis of the New Waste Provider's provision of services.
- TAKE NOTICE THAT due to the global COVID-19 pandemic, Council has elected to hold the public hearing via an electronic procedure. The following rules shall apply:
1. Hearing Deliberation: The electronic public hearing will be structured such that all who choose to participate, shall have the right to hear all discussions and those who have pre-registered, can make oral submissions;
 2. Making Written Submissions: Written submissions will only be considered at the public hearing if they are emailed to info@Ryley.ca before the 15th day of June, 2020 at 3:00 pm. Any written submissions emailed or submitted after this date will not be considered;
 3. Pre-registration for speaking: Due to additional challenges imposed on conducting the hearing via electronic procedure (virtually), anyone who desires to

make oral submissions at the hearing must pre-register via email to CAO@Ryley.ca no later than the 15th day of June, 2020 at 1:00 pm. Anyone who fails to pre-register prior to this deadline will not be permitted to speak.

4. Speaking/procedure at hearing: We ask that:
 - All attendees mute their microphones in the video conference so the hearing will not pick up any ambient or distracting sounds from your location;
 - The only attendees who shall be permitted to provide oral submissions or speak at the hearing are:
 - those who have either pre-registered with the Municipality to speak; or
 - if the chair of the hearing has invited people to speak at the hearing.
 5. Improper Speaking/Disruption of hearing: In the event that someone speaks out of turn or is otherwise disruptive, the chair of the hearing reserves the right to remove that participant from the video conference meeting.
- AND FURTHER TAKE NOTICE THAT in order to participate at the video conference meeting, the following options shall be the manner of accessing it:
1. Participate through a Link in a Webpage: <https://zoom.us/j/97548743791?pwd=TzBRUTNYUy9WT2Vqa-Td3TVpyTTFKQT09;>
 2. Participate through the ZOOM Application: Prior to the video conference, download the app at <https://zoom.us/download>. When it's time to join the video conference, enter Meeting ID 975 4874 3791 and Password 612200;
 3. Participate via Telephone (Audio Only): You may participate in the video conference by audio (no video) by joining via telephone at (778) 907-2071 and entering the Meeting ID and Password (same as above);
 4. Watch the Hearing via Facebook (Livestream): If you choose not to participate in the Video Conference, you may observe the hearing through internet livestream via the open Facebook Group – Village of Ryley.
- AND FURTHER TAKE NOTICE THAT the materials to be discussed at the Public Hearing are accessible at the following link:
www.ryley.ca/document-category/a-public-hearing/
Additionally, pursuant to the COVID Regulation, anyone may instead request that these materials may be mailed, emailed or faxed to them. Please contact info@ryley.ca to make this request.
- DATED at the Village of Ryley in the Province of Alberta this 16th day of May, 2020.
- Please note information and all links can be found on the Ryley website at www.ryley.ca/notices/public-hearing-municipally-controlled-corporation-mcc/

Recycling at BMS

Recycling services for residents of Beaver County are available through Beaver Municipal Solutions' transfer stations.

Cardboard and paper recycling is available to residents and businesses of Beaver County. Cardboard needs to be flattened. If paper or cardboard is wet or soiled throw it away. Unfortunately, soiled materials contaminate the load and make recycling harder, or in some cases impossible. Must sort paper and cardboard.

Dedicated bins are located in Ryley, Holden, Lindbrook and at the Tofield Transfer Station and Viking Transfer Station.

Paint disposal for recycling is available at the Lindbrook and Viking transfer stations and the Ryley land-fill. Call to check paint types excepted.

Electronics can be recycled at the Lindbrook, Tofield, Ryley and Viking transfer stations. Recycle televisions, computers, servers, laptops, tablets, printers, copiers, scanners and fax machines.

Tires can be recycled at the Lindbrook, Ryley and Viking transfer stations. You can recycle car and light truck tires, medium truck tires, specialty tires (agricultural, atv, skid-loader, motorcycle, bicycle, lawn tractor, implement) and OTR (Off The Road) tires (mining, forestry, construction equipment). Tracks of any kind cannot be recycled. Foam filled or solid tires cannot be recycled (solid skid loader tires)

Oil, Filters and Containers can be recycled at the Lindbrook, Ryley and Viking transfer stations. Ensure that oil is not contaminated with other substances e.g. diesel, antifreeze, water etc. Only jugs and containers under 5L are recyclable under this program.

The above recycling programs are facilitated through the Alberta Recycling Management Authority (ARMA).

Antifreeze can be recycled at the Lindbrook, Ryley and Viking transfer stations.

Metals can be recycled at the Lindbrook, Ryley, Viking and Kinsella transfer stations.

Freon-Containing Appliances

Refrigerators, cold water dispensers and other freon containing appliances can be recycled at Lindbrook, Ryley, Viking and Kinsella transfer stations. There is a Freon removal charge of \$25 per appliance.

Automotive and Large Batteries can be recycled at the Lindbrook, Ryley, and Viking transfer stations. Included batteries include car, tractor, motorcycle, emergency lighting batteries and booster pack batteries (these have to be removed from the casing).

For more information contact BMS at 780-663-2038 or check out their website at www.beavermunicipal.ca
