Mayors Message

Hello everyone, May is here and with it hopefully some warmer, dryer weather. I would like to thank everyone who took the time to attend the Sweetheart Splash at the end of April to support the Ryley Pool – your patronage helps maintain a valuable service to the residents of Ryley and surrounding areas of Beaver County.

Council is hard at work with some pressing items on the table. In recent headlines, the decision of Council to engage Thurber Engineering to conduct a third party review of the Clean Harbors landfill expansion application to Alberta Environment to demonstrate to residents of the Village of Ryley and surrounding area that Council takes the health and safety of citizens very seriously. We will await the results of Thurber's due diligence on the application file, and do intend to host an open house with Clean Harbors to address any citizen concerns associated with the landfill.

Council will also be working on some very important documents – the Public Participation Policy and the Council Code of Conduct Bylaw. These two documents are now statutory requirements under the Municipal Government Act and will be completed within the required timelines. In addition to these, our requirement to complete a Municipal Development Plan will also be met in due time. Council has engaged Strategic Steps to spearhead the development of the plan, which will be a public document once completed.

As June approaches, I encourage all volunteer groups and organizations to also get involved in helping make Ryley Sports Day another great summer event. We are excited to have a downtown music festival this year, in addition to our regular parade and sport events. I hope to see everyone out in the streets during the event, and taking part in activities and games as friends and families do when they live in a small, tightly knit community such as Ryley.

You're Invited! Clean Harbors Annual Open House & Public Meeting

Wednesday, May 30, 2018

Open House 5:00 pm – 7:00 pm

Presentation on Landfill Expansion 7:00 to 7:30 pm

Question and Answer Period 7:30 pm

Ryley Community Center

Come and join us for refreshments and learn more about the Clean Harbors Ryley Facility.

The Open House is intended to provide interested members of the community an opportunity to ask questions and participate in discussion with company officials and consultants. Informational boards will be on display regarding operations, annual monitoring programs and the proposed landfill expansion.

The Presentation will be given which is intended to provide the public with details on Clean Harbors' application for amendment for a lateral landfill expansion in which construction of new cells are proposed to be below the native ground surface (5 to 7 metres).

After the presentation the company officials and consultants will answer any questions regarding the proposed landfill design.

Zinc-Saves Lives

Household* Battery Drive

The leadership team is a group of students from the Ryley School. We focus on making a difference in the community and the world through volunteerism. We are launching a campaign to collect household batteries through a program called Zinc-Saves Lives.

Zinc is essential for humans. Zinc deficiency affects about 1.2 billion people worldwide, and 200,000 children under the age of five die each year from not having access to zinc in their diets. This is why we would like to help. This program is brought to you by Teck and UNICEF. The amount of zinc in one AA battery, is enough to save the lives of six children. There is an added benefit of keeping batteries out of landfills which protects our environment.

Village residents may drop off their household* batteries in specially marked bins located at Ryley School and the Ryley Municipal Office from now until June 15, 2018 (during normal business hours.)

***HOUSEHOLD BATTERIES = AA, AAA, C, D, 9 Volt, 6 volt (alkaline or heavy duty batteries)**

We CANNOT accept lithium ion batteries

Beaver Municipal Solutions large item pick-up is a no charge service to the communities that BMS provides. Residents will be responsible to place their large items on the FRONT street by the curb (not on grass or boulevard) the evening prior to the municipality's date as listed above. Items should be placed at least 3 feet (1 meter) away from parked vehicles.

Collection Date: **Thursday, May 17**

Freon products such as freezers, fridges, water coolers, etc. must be identified with a BMS sticker in order to be collected. Residents are required to pay \$25 per item with Freon, at either the Village Office or at the BMS Office in order to obtain their sticker. Once payment has been made, a sticker will be provided that needs to be placed either on the front or side of the appliance.

Acceptable Items: Mattresses, couches, recliners, white goods & appliances, tires, and propane tanks.

Unacceptable Items: The following items are not accepted as part of the Large Item Pick-Up Program. Grass clippings, trees, tree branches – can be taken to any of the Transfer Stations or the public drop off area at Ryley. Large chunks of cement/concrete – must be taken to the landfill. Bags of garbage – can be placed in your neighborhood waste bin. Small items that would fit in your neighborhood waste bin.

Electronic waste – can be taken to Viking, Tofield and Lindbrook Transfer Stations or the public drop off area at Ryley year-round.

If your items have not been picked up three days after your scheduled pick up date, please call our office at 780-663-2038, extension 106.
