Re: Councillor's report – December 2017.

This report itemises the meetings that I attended in December, as a councillor, or as a member of a committee or commission to which I was appointed by council of the Village of Ryley.

Since the meetings are recorded in minutes by the respective group, I shall refer the reader to the location of the same. In the event that a meeting does not produce meeting minutes, a written report of the same will be provided, and the same will outline the salient points thereof.

A verbal account of this meeting was presented to Council at its regular meeting which was held on December 19, 2017. The minutes of this meeting is currently in draft form and the same will be posted to the BESC website in due course.
