## Mayors Message

I hope everyone had a festive Christmas. It's been a busy one and there is a lot on the go.

We had great weather for our Christmas Tree Light Up on December 1. It was great to see so many out and the market had some unique treasures to make that perfect gift. I would like to thank our Christmas Tree winner that got to flick the switch to light the tree and the park up, Emmie Kischook. I think it warmed everyone's heart to hear her say how it was her Christmas wish to light the tree and it was all she wanted. Emmie I'm glad you got your wish, you did a fantastic job!

Thank you to everyone that participated in the Christmas Light Up Contest. Ryley looks festive and it brings joy to see all the lights and decorations. I would like to congratulate all the winners. It was tough judging and we had a great time doing so. Photos of the winners will be posted in the February Village Voice. I encourage everyone to go for a drive and see the wonderful Christmas displays around our village.

Our outdoor skating rink is now open 7 days a week from 10 a.m. to 9 p.m. The pool has finished their renovations and will be open throughout the winter. You can find their holiday hours posted in the voice and on their Facebook page. Council would like to encourage you to get out and get active this holiday season.

A reminder that the children are out on Christmas break and are out taking advantage of this nice weather. Please drive with caution and keep an eye out for those sleds, they don't have breaks!

Council would like to wish you all a Happy New Year and may it be the year a good health and happiness!  
**Terry Magnuson ~ Mayor of Ryley**

## Village of Ryley Municipal Development Plan Survey

This confidential survey is being conducted on behalf of the Village of Ryley as the village begins to create a new plan for its future.

• Option 1: Fill in this hard copy survey and return it to the village office

• Option 2: Fill it in online. Please go to the village website ([www.ryley.ca](http://www.ryley.ca)) and click on the appropriate link.

**Draw Prize:** Though this survey is anonymous, there is space at the end to provide your name and contact information. There will be a random draw of completed surveys following the conclusion of the survey. Village staff and council will not get the surveys and will not see the names. We have hired a firm to conduct the survey and provide the village with the results.

**Deadline: Has been extended.** All surveys must be returned to the village office by January 31.

### Introduction

The Government of Alberta has informed all municipalities that they need to have a Municipal Development Plan (MDP) in place. This is new for the Village of Ryley and it represents a great opportunity for residents to have input and give direction about what our village will look like in 25 years or more.

The MDP will be Ryley's guiding document for growth. It explains the community's vision for the future and provides a road map to achieve that vision.

Your input will be used to help determine:

- How the villages uses undeveloped land
- Future transportation networks
- Environmental and heritage resource management
- Development of utilities
- How the municipality funds growth and development

**1)** From what you have seen, what have been the biggest successes in Ryley over the past five years?

**2)** What three challenges, particularly related to municipal development, do you see as critical for Ryley to address over the next 10 years?

**3)** Over the next 20 years, I would like to see Ryley's population (choose one):

- Get smaller
- Stay the same size it is now
- Grow by 0 - 25%
- Grow between 25% and 50%
- Grow more than 50%

**4)** The Municipal Government Act and associated Regulations require an MDP to address several things. Do you see Ryley needing to address (check all that apply):

- Conservation reserves
- Economic Development programs
- Environmental matters within the village
- Financial resources of the village
- Financing and programming for municipal infrastructure
- School reserve land
- Urban sour gas facilities
- Urban agriculture

## WECAN now in Ryley!

### About WECAN Food Basket

The WECAN Food Basket Society operates as a “warehouse without walls” – we buy all our food in bulk and distribute it to our community based depots. Volunteers staff the depots located throughout the Edmonton and surrounding area. Once a month, volunteer drivers pick up the food from our supplier, The Grocery People Warehouse, and take it to the depots. Our volunteers then count, sort and pack the baskets ready for pick up.

### WECAN Mission Statement

The WECAN Food Basket Society provides families and individuals with food security by giving them the opportunity to purchase nutritious food at an affordable price.

### The Program in Tofield-Ryley

Members prepay for their food baskets by the first Friday of each month by depositing their order envelope: (Tofield) in the book depository at the Tofield Municipal Library, or (Ryley) in the mail slot at the Village of Ryley Office. Then, orders can be picked up on the third or fourth Thursday of the month (see table at right) at (Tofield) Bardo Lutheran Church, or (Ryley) Ryley Municipal Office.

### A WECAN Food Basket consists of...

Fresh food is the staple of any healthy diet. Our food offering is:

Meat Order (\$15): 2-3 cuts of frozen meat,  
Produce Order (\$10): 3 types of fresh vegetables and 3 kinds of seasonal fruit

Members can order whatever quantity of each order they would like, for example:

2 produce + 1 meat = \$35 or 2 meat + 1 produce = \$40

Members prepay for their food basket on or by the first Friday of each month. Check Calendar for exceptions to orders and pick up dates.

Membership is \$5 per year: Apr 1 to Mar 31.

“Why Haven’t I received the CALP Newsletter?”  
Over the past year we have heard this question from many people in our community... here is the answer.

Beaver County Community Adult Learning Program is funded by Alberta Advanced Education and our mandate has changed over the years. In the past we have enjoyed offering personal interest and general public learning opportunities. However, to be more effective in helping foundational learners we have been tasked to be more specialized in our approach to learning in Beaver County.

We now offer a variety of foundational adult learning programs and services designed to help Beaver County learners reach their educational, career, and life goals. Our programs include small classes and one on one tutoring in basic math, reading, writing, digital (technology) skills and English Language Learning. We strive to develop programs that are relevant and practical that build on the strengths of our adult learners.

In addition to the core mandate to assist foundational learners in Beaver County we also provide community capacity building learning opportunities. These include First Aid Courses, Wills and Personal Directives sessions, GED Preparation program, New Futures Career Transitions program and Career & Educational Planning Services open to any resident in the Beaver County area.

Please contact us for more information or to refer a friend or family member.

## New: Bees Among Projects for Beaver County 4-H Multi Club

Club Reporter: Kari Janzen

The Beaver County 4-H Multi Club has started its second year of 4-H in Holden! The club has 24 members this year, and are each doing interesting and fun projects, including: bees, cooking, heifer, photography, sewing, sheep, small engine, swine and vet sciences. Most recently, the club had their Christmas Party, and lent a helping hand for the Christmas Bureau.

On December 9, the club had their Christmas Party potluck. The rink was rented and members could skate at their leisure. There was hot chocolate to warm cold fingers, and lots of tables games, including a lively round of Dutch Blitz. After the meal, the club considered fundraising ideas, of which there were many feasible possibilities. Marked and judged record books from last year were returned to the members to review, and each received a Peavey Mart gift card for their efforts. Finally, it was time for the much-awaited gift exchange. There were some creative gifts, albeit the \$15 restriction!

The 4-H Motto, 'Learn to Do by Doing', applies to 4-H activities and projects in many ways. The club will be doing their Public Speaking event in the beginning of February; members awarded first and second place advance to the District and Regional competitions. All are welcome to come out and watch members deliver their speeches, both prepared and impromptu. For our first community service project this year, some of our members went to Vegreville to sort toy donations for the Christmas Bureau. Club members are awaiting (some impatiently!) for the arrival of their books, so they can begin record keeping for their projects.

Check out the club's Facebook page (Beaver County 4-H Multi Club) to see upcoming events and to watch for fundraising plans!
