*"Moved by Dueck that all four 2020 quarterly operating and capital grant requests from BESC be forwarded to municipalities on the understanding that 2020 cost-sharing will be reconciled on the 2020 audited financial statement rather than on the 2020 budget.*

In Alberta, municipalities can appoint bylaw enforcement officers under the authority of section 555 and 556 of the Municipal Government Act. There is a common misconception that all bylaw officers are community peace officers; however, a person appointed as a community peace officer can only enforce provincial acts and regulations. A community peace officer is not authorized to enforce municipal bylaws unless they are also appointed under the authority of the Municipal Government Act, or if the specific bylaw states it can be enforced by a community peace officer working for that municipality. There are some municipalities in Alberta whose officers enforce only municipal bylaws as bylaw officers, others that only enforce provincial acts as community peace officers, and still others that hold dual municipal and provincial appointments.

Good afternoon,

I wanted to take this opportunity to introduce myself as the President for the new East Central Crime Prevention Association. As the president, I will focus much of my efforts on public awareness, education initiatives and building partnerships with stakeholders and other community organizations with similar goals of community safety.

East Central Crime Prevention Association is a volunteer driven non-profit organization based in Wainwright Alberta serving Wainwright and the surrounding communities. We are committed to community safety and crime reduction in the East Central region. We will be adding different programs and services based on needs of each community we serve.

We are currently working with another non-profit organization called Bike Index in hopes to reduce bike thefts in our service area. Not only are we registering bikes in the Bike Index system we are also adding custom QR codes to each bike. This makes it easier to identify bikes that are stolen/missing and identify the property owners.

Thank you very much for your time. If there is anything we can help you with or any programs or service you would like to see please let us know. We can be reached at [eastcentralcrimeprevention@gmail.com](mailto:eastcentralcrimeprevention@gmail.com) or 780-546-9204.

Sincerely,
